§ 617.64 Termination of TAA program benefits.

The following rules are applicable to the termination of TAA benefits under the Act:

(a) No application for TRA, or transportation or subsistence payment while in training approved under subpart C of this part 617, shall be approved, and no payment of TRA or payment for transportation or subsistence occurring on or before the termination date shall be made after the termination date specified in the Act, unless the claim for TRA or an invoice for transportation and subsistence is presented to the State agency and a final determination is made on the amount payable on or before the termination date in the Act.

(c) No training under subpart C of this part shall be approved unless a determination regarding the approval of such training was made on or before the termination date in the Act, and such training commenced on or before such termination date. Determinations on tuition bills shall be limited to the training term, quarter, semester or other period beginning on or before the termination date in the Act. The training period should be in accord with normal billing practices of the training provider and/or State agency approval practices.
