Costs incidental to the generation of program income may be deducted, if not already charged to the grant, from gross income to determine program income.
(c) Use of program income. (1)(i) A recipient or subrecipient may retain any program income earned by the recipient or subrecipient only if such income is added to the funds committed to the particular JTPA grant or subgrant and title under which it was earned and such income is used for that title’s purposes and under the terms and conditions applicable to the use of the grant funds.
