(b) In addition to the services listed in paragraph (a) of this section, grantees and subgrantees must provide service to participants according to administrative guidelines that may be issued by the Department.

(c) Grantees may not use SCSEP funds for individuals who only need job search assistance or job referral services. Grantees may provide job search assistance and job club activities to participants who are enrolled in the SCSEP and are assigned to community service assignments.

§ 641.540 What types of training may grantees/subgrantees provide to SCSEP participants?

(a) Grantees and subgrantees must arrange skill training that is realistic and consistent with the participants' IEP, and that makes the most effective use of their skills and talents. This section does not apply to training provided as part of a community service assignment.

(b) Training may be provided before or after placement in a community service activity.

(c) Training may be in the form of lectures, seminars, classroom instruction, individual instruction, on-the-job experiences, or other arrangements, including but not limited to, arrangements with other workforce development programs such as WIA. (OAA sec. 502(c)(6)(A)(ii)).

(d) Grantees and subgrantees are encouraged to place a major emphasis on training available through on-the-job experience.

(e) Grantees/subgrantees are encouraged to obtain training through locally available resources, including host agencies, at no cost or reduced cost to the SCSEP.

(f) Grantees/subgrantees may pay reasonable costs for instructors, classroom rental, training supplies and materials, equipment, tuition, and other costs of training. Participants may be paid wages while in training. (OAA sec. 502(c)(6)(A)(ii)).

Grantees are responsible for working with participants to ensure that, for those participants whose IEPs include an unsubsidized employment goal, the participants are receiving services and taking actions designed to help them achieve this goal. Grantees and subgrantees must contact private and public employers directly or through the One-Stop Delivery System to develop or identify suitable unsubsidized employment opportunities. They must also encourage host agencies to assist participants in their transition to unsubsidized employment, including unsubsidized employment with the host agency.
