§ 652.8 Administrative provisions.

(a) Administrative requirements. The Employment Security Manual shall not be applicable to funds appropriated under the Wagner-Peyser Act. Except as provided for in paragraph (f) of this section, administrative requirements and cost principles applicable to grants under this part 652 are as specified in 29 CFR part 97, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments, and OMB Circular A–87 (Revised).

(b) Management systems, reporting and recordkeeping.

(1) The financial management system and the program information system shall provide federally required records and reports that are uniform in definition, accessible to authorized Federal and State staff, and verifiable for monitoring, reporting, audit and evaluation purposes (section 10(c)).

(c) Reports required. (1) Each State shall make reports pursuant to instructions issued by the Secretary and in
Employment and Training Administration, Labor § 652.8

such format as the Secretary shall pre-
scribe.

(2) The Secretary is authorized to
monitor and investigate pursuant to
section 10 of the Act.

(d) Special administrative and cost pro-
visions. (1) Neither the Department nor
the State is a guarantor of the accur-
acy or truthfulness of information ob-
tained from employers or applicants in
the process of operating a labor ex-
change activity.

(2) Prior approval authority, as de-
scribed in various sections of 29 CFR
part 97, Uniform Administrative Re-
quirements for Grants and Cooperative
Agreements to State and Local Gov-
ernments, and OMB Circular A–87 (Re-
vised), is delegated to the State except
that the Secretary reserves the right
to require transfer of title on non-
expendable Automated Data Processing
Equipment (ADPE), in accordance with
provisions contained in 29 CFR 97.32(g).
The Secretary reserves the right to ex-
ercise prior approval authority in other
areas, after providing advance notice
to the State.

(3) Application for financial assist-
ance and modification requirements
shall be as specified under this part.

(4) Cost of promotional and informa-
tional activities consistent with the
provisions of the Act, describing serv-
ices offered by employment security
agencies, job openings, labor market
information, and similar items are al-

(5) Each State shall retain basic doc-
uments for the minimum period speci-
fied below:

(i) Work Application: One year.

(ii) Job Order: One Year.

(6) Costs of employer contributions
and expenses incurred for State agency
fringe benefit plans that do not meet
the requirements in OMB Circular A–87
(Revised) are allowable, provided that:

(i) For retirement plans, on behalf of
individuals employed after the effec-
tive date of this part, and for fringe
benefit plans other than retirement,
the Secretary grants a time extension
to cover an interim period if State leg-
islative action is required for such em-
ployees to be covered by plans which
meet the requirements of OMB Cir-
cular A–87 (Revised). During this in-
terim period, State agency employees
may be enrolled in plans open to State
agency employees only. No such exten-
sion may continue beyond the 60th day
following the completion of the next
full session of the State legislature
which begins after the effective date of
this part;

(ii) For fringe benefit plans other
than retirement, the Secretary grants
a time extension which may continue
until such time as they are comparable
in cost to those fringe benefit plans
available to other similarly employed
employees of the State on the condi-
tion that there are no benefit improve-
ments. The Secretary may grant this
time extension if the State agency can
demonstrate that the extension is nec-
essary to prevent loss of benefits to
current States agency employees,
retirees and/or their fringe benefit
plan beneficiaries, or that it is nec-
essary to avoid unreasonable expendi-
tures on behalf of the employee or em-
ployer to maintain such fringe benefits
for current employees and retirees. At
such time as the cost of these fringe
benefit plans becomes equitable with
those available to other similarly em-
ployed State employees, the time ex-
tension will cease and the require-
ments of OMB Circular A–87 (Revised)
will apply;

(iv) Requests for time extensions
under this section will include an opin-
on of the State Attorney General, that
either legislative action is required to
accomplish compliance with OMB Cir-
cular A–87 (Revised) or, for (d)(6)(iii) of
this section that such compliance
would result in either loss of current
benefits to State agency employees
and retirees or unreasonable expenditures
to maintain these benefits. Such re-
quests will be filed with the Secretary
no later than 30 days after the effective
date of this part; and
(v) Time extensions granted relative to (d)(6)(iii) of this section require a signed statement by the State agency Administrator, that no improvements have been made to fringe benefits under the extension and that the plan(s) is (are) not consistent with those available to other similarly employed State employees, for each year of the extension. Documentation supporting the affidavit shall be maintained for audit purposes.

(7) Payments from the State’s Wagner-Peyser allotment made into a State’s account in the Unemployment Trust Fund for the purpose of reducing charges against Reed Act funds (section 903(c) of the Social Security Act, as amended (42 U.S.C. 1103(c)) are allowable costs, provided that:

(i) The charges against Reed Act funds were for amounts appropriated, obligated, and expended for the acquisition of automatic data processing installations or for the acquisition or major renovation of State owned office building; and

(ii) With respect to each acquisition of improvement of property pursuant to paragraph (d)(7)(i) of this section, the payments are accounted for in the State’s records as credits against equivalent amounts of Reed Act Funds used for administrative expenditures.

(e) Disclosure of information. (1) The State shall assure the proper disclosure of information pursuant to section 3(b) of the Act.

(2) The information specified in section 3(b) and other sections of the Act, shall also be provided to officers or any employee of the Federal Government of a State government lawfully charged with administration of unemployment compensation laws, employment service activities under the Act or other related legislation, but only for purposes reasonably necessary for the proper administration of such laws.

(f) Audits. (1) At least once every 2 years, the State shall prepare or have prepared an independent financial and compliance audit covering each full program year not covered in the previous audit, except that funds expended pursuant to section 7(b) of the Act shall be audited annually.

(2) The Comptroller General and the Inspector General of the Department shall have the authority to conduct audits, evaluations or investigations necessary to meet their responsibilities under sections 9(b)(1) and 9(b)(2), respectively, of the Act.

(3) The audit, conducted pursuant to paragraph (f)(1) or (f)(2) of this section, shall be submitted to the Secretary who shall make an initial determination. Such determinations shall be based on the requirements of the Act, regulations, and State plan.

(i) The initial determination shall identify the audit findings, state the Secretary’s proposed determination of the allowability of questioned costs and activities, and provide for informal resolution of those matters in controversy contained in the initial determination.

(ii) The Secretary shall not impose sanctions and corrective actions without first providing the State with an opportunity to present documentation or arguments to resolve informally those matters in controversy contained in the Secretary’s initial determination. The informal resolution period shall be at least 60 days from issuance of the initial determination and no more that 170 days from the receipt by the Secretary of the final approved audit report. If the matters are resolved informally, the Secretary shall issue a final determination pursuant to paragraph (f)(3)(iii) of this section which notifies the parties in writing of the nature of the resolution and may close the file.

(iii) If the matter is not resolved informally, the Secretary shall provide each party with a final written determination by certified mail, return receipt requested. In the case of audits, the final determination shall be issued not later than 180 days after the receipt by the Secretary of the final approved audit report. The final determination shall:

(A) Indicate that efforts to resolve informally matters contained in the initial determination have been unsuccessful;

(B) List those matters upon which the parties continue to disagree;

(C) List any modifications to the factual findings and conclusions set forth in the initial determination;

(G) Constitute final agency action unless a hearing is requested.

(g) Sanctions for violation of the Act. (1) The Secretary may impose appropriate sanctions and corrective actions for violation of the Act, regulations, or State plan, including the following:
   (i) Requiring repayment, for debts owed the Government under the grant, from non-Federal funds;
   (ii) Offsetting debts arising from the misexpenditure of grant funds, against amounts to which the State is or may be entitled under the Act, provided that debts arising from gross negligence or willful misuse of funds shall not be offset against future grants. When the Secretary reduces amounts allotted to the State by the amount of the misexpenditure, the debt shall be fully satisfied;
   (iii) Determining the amount of Federal cash maintained by the State or a subrecipient in excess of reasonable grant needs, establishing a debt for the amount of such excessive cash, and charging interest on that debt;
   (iv) Imposing other appropriate sanctions or corrective actions, except where specifically prohibited by the Act or regulations.
(2) To impose a sanction or corrective action, the Secretary shall utilize the initial and final determination procedures outlined in (f)(3) of this section.

(h) Other violations. Violations or alleged violations of the Act, regulations, or grant terms and conditions except those pertaining to audits or discrimination shall be determined and handled in accordance with 20 CFR part 658, subpart H.
   (i) Fraud and abuse. Any persons having knowledge of fraud, criminal activity or other abuse shall report such information directly and immediately to the Secretary. Similarly, all complaints involving such matters should also be reported to the Secretary directly and immediately.
   (j) Nondiscrimination and affirmative action requirements. States shall:

(1) Assure that no individual be excluded from participation in, denied the benefits of, subjected to discrimination under, or denied employment in the administration or in connection with any services or activities authorized under the Act in violation of any applicable nondiscrimination law, including laws prohibiting discrimination on the basis of age, race, sex, color, religion, national origin, disability, political affiliation or belief. (3) Assure that employers’ valid affirmative action requests will be accepted and a significant number of qualified applicants from the target group(s) will be included to enable the employer to meet its affirmative action obligations.

(4) Assure that employment testing programs will comply with 41 CFR part 60–3 and 29 CFR part 32 and 29 CFR 1627.3(b)(iv).

(5) Nondiscrimination and equal opportunity requirements and procedures, including complaint processing and compliance reviews, will be governed by the applicable DOL nondiscrimination regulations.

§ 652.9 Labor disputes.

(a) State agencies shall make no job referral on job orders which will aid directly or indirectly in the filling of a job opening which is vacant because the former occupant is on strike, or is being locked out in the course of a labor dispute, or the filling of which is otherwise an issue in a labor dispute involving a work stoppage.

(b) Written notification shall be provided to all applicants referred to jobs not at issue in the labor dispute that a labor dispute exists in the employing establishment and that the job to
