§ 655.732 What is the second LCA requirement, regarding working conditions?

An employer seeking to employ H–1B nonimmigrants in specialty occupations or as fashion models of distinguished merit and ability shall state on Form ETA 9035 or 9035E that the employment of H–1B nonimmigrants will not adversely affect the working conditions of workers similarly employed in the area of intended employment. For the purposes of this section, “H–1B” includes “E–3 and H–1B1” as well.

(a) Establishing the working conditions requirement. The second LCA requirement shall be satisfied when the employer affords working conditions to its H–1B nonimmigrant employees on the same basis and in accordance with the same criteria as it affords to its U.S. worker employees who are similarly employed, and without adverse effect upon the working conditions of workers similarly employed in the area of intended employment. Working conditions include matters such as hours, shifts, vacation periods, and benefits such as seniority-based preferences for training programs and work schedules. The employer’s obligation regarding working conditions shall extend for the longer of two periods: the validity period of the certified LCA, or the period during which the H–1B nonimmigrant(s) is(are) employed by the employer.

(b) Documentation of the working condition statement. In the event of an enforcement action pursuant to subpart I of this part, the employer shall produce documentation to show that it has afforded its H–1B nonimmigrant employees working conditions on the same basis and in accordance with the same criteria as it affords its U.S. worker employees who are similarly employed.

§ 655.733 What is the third LCA requirement, regarding strikes and lockouts?

An employer seeking to employ H–1B nonimmigrants shall state on Form ETA 9035 or 9035E that there is not at that time a strike or lockout in the course of a labor dispute in the occupational classification at the place of employment. A strike or lockout which occurs after the labor condition application is filed by the employer with DOL is covered by DHS regulations at 8 CFR 214.2(h)(17). For the purposes of this section, “H–1B” includes “E–3 and H–1B1” as well.

(a) Establishing the no strike or lockout requirement. The third labor condition application requirement shall be satisfied when the employer signs the labor condition application attesting that, as of the date the application is filed, the employer is not involved in a strike, lockout, or work stoppage in the course of a labor dispute in the occupational classification in the area of intended employment. Labor disputes for the purpose of this section relate only to those disputes involving employees of the employer working at the place of employment in the occupational classification named in the labor condition application. See also DHS regulations at 8 CFR 214.2(h)(17) for effects of strikes or lockouts in general on the H–1B nonimmigrant’s employment.

(1) Strike or lockout subsequent to certification of labor condition application. In order to remain in compliance with the no strike or lockout labor condition statement, if a strike or lockout of workers in the same occupational classification as the H–1B nonimmigrant occurs at the place of employment during the validity of the labor condition application, the employer, within three days of the occurrence of the strike or lockout, shall submit to ETA, by U.S. mail, facsimile (FAX), or private carrier, written notice of the strike or lockout. Further, the employer shall not place, assign, lease, or otherwise contract out an H–1B nonimmigrant, during the entire period of the labor condition application’s validity, to any place of employment where there is a strike or lockout in the course of a labor dispute in the same occupational classification as the
