Subpart A—General Description of the One-Stop Delivery System

§ 662.100 What is the One-Stop delivery system?

(a) In general, the One-Stop delivery system is a system under which entities responsible for administering separate workforce investment, educational, and other human resource programs and funding streams (referred to as One-Stop partners) collaborate to create a seamless system of service delivery that will enhance access to the programs’ services and improve long-term employment outcomes for individuals receiving assistance.

(b) Title I of WIA assigns responsibilities at the local, State and Federal level to ensure the creation and maintenance of a One-Stop delivery system that enhances the range and quality of workforce development services that are accessible to individuals seeking assistance.

(c) The system must include at least one comprehensive physical center in each local area that must provide the core services specified in WIA section 134(d)(2), and must provide access to other programs and activities carried out by the One-Stop partners.

(d) While each local area must have at least one comprehensive center (and may have additional comprehensive centers), WIA section 134(c) allows for arrangements to supplement the center. These arrangements may include:

(1) A network of affiliated sites that can provide one or more partners’ programs, services and activities at each site;

(2) A network of One-Stop partners through which each partner provides services that are linked, physically or technologically, to an affiliated site that assures individuals are provided information on the availability of core services in the local area; and

(3) Specialized centers that address specific needs, such as those of dislocated workers.

(e) The design of the local area’s One-Stop delivery system, including the number of comprehensive centers and the supplementary arrangements, must be described in the local plan and be consistent with the Memorandum of Understanding executed with the One-Stop partners.

Subpart B—One-Stop Partners and the Responsibilities of Partners

§ 662.200 Who are the required One-Stop partners?

(a) WIA section 121(b)(1) identifies the entities that are required partners in the local One-Stop systems.

(b) The required partners are the entities that are responsible for administering the following programs and activities in the local area:

(1) Programs authorized under title I of WIA, serving:

(i) Adults;

(ii) Dislocated workers;

(iii) Youth;

(iv) Job Corps;

(v) Native American programs;

§ 662.210 What other entities may serve as One-Stop partners?

(a) WIA provides that other entities that carry out a human resource program, including Federal, State, or local programs and programs in the private sector may serve as additional partners in the One-Stop system if the Local Board and chief elected official(s) approve the entity’s participation.

(b) Additional partners may include:

(1) TANF programs authorized under part A of title IV of the Social Security Act (42 U.S.C. 601 et seq.);

(2) Employment and training programs authorized under section 6(d)(4) of the Food Stamp Act of 1977 (7 U.S.C. 2015(d)(4));

(3) Work programs authorized under section 6(o) of the Food Stamp Act of 1977 (7 U.S.C. 2015(o));

(4) Programs authorized under the National and Community Service Act of 1990 (42 U.S.C. 12501 et seq.); and

(5) Other appropriate Federal, State or local programs, including programs related to transportation and housing and programs in the private sector. (WIA sec. 121(b)(2).)

(c) The State may require that one or more of the programs identified in paragraph (b) of this section be included as a partner in all of the local One-Stop delivery systems in the State.

§ 662.220 What entity serves as the One-Stop partner for a particular program in the local area?

(a) The “entity” that carries out the program and activities listed in §§ 662.200 and 662.210 and, therefore, serves as the One-Stop partner is the grant recipient, administrative entity or organization responsible for administering the funds of the specified program in the local area. The term “entity” does not include the service providers that contract with or are sub-recipients of the local administrative entity. For programs that do not include local administrative entities, the responsible State Agency should be the partner. Specific entities for particular programs are identified in paragraph (b) of this section. If a program or activity listed in § 662.200 is not carried out in a local area, the requirements relating to a required One-Stop partner are not applicable to such program or activity in that local One-Stop system.
