§ 663.105 When must adults and dislocated workers be registered?

(a) Registration is the process for collecting information to support a determination of eligibility. This information may be collected through methods that include electronic data transfer, personal interview, or an individual's application.

(b) Adults and dislocated workers who receive services funded under title I other than self-service or informational activities must be registered and determined eligible.

(c) EO data must be collected on every individual who is interested in being considered for WIA title I financially assisted aid, benefits, services, or training by a recipient, and who has signified that interest by submitting personal information in response to a request from the recipient.

§ 663.110 What are the eligibility criteria for core services for adults in the adult and dislocated worker programs?

To be eligible to receive core services as an adult in the adult and dislocated worker programs, an individual must be 18 years of age or older. To be eligible for the dislocated worker programs, an eligible adult must meet the criteria of § 663.115. Eligibility criteria for intensive and training services are found at §§ 663.220 and 663.310.

§ 663.115 What are the eligibility criteria for core services for dislocated workers in the adult and dislocated worker programs?
