§ 666.210 How may Incentive Grant funds be used?

Incentive grant funds are awarded to States to carry out any one or more innovative programs under titles I or II of WIA or the Carl D. Perkins Vocational and Technical Education Act, regardless of which Act is the source of the incentive funds. (WIA sec. 503(a).)

§ 666.220 What information must be included in a State Board’s application for an Incentive Grant?

(a) After consultation with the Secretary of Education, we will issue instructions annually which will include the amount of funds available to be awarded for each State and provide instructions for submitting applications for an Incentive Grant.

(b) Each State desiring an incentive grant must submit to the Secretary an application, developed by the State Board, containing the following assurances:

1. The State legislature was consulted regarding the development of the application.
2. The application was approved by the Governor, the eligible agency (as defined in WIA section 203), and the State agency responsible for vocational and technical programs under the Carl D. Perkins Vocational and Technical Education Act.
3. The State exceeded the State negotiated levels of performance for title I, the levels of performance under title II and the levels for vocational and technical programs under the Carl D. Perkins Vocational and Technical Education Act. (WIA sec. 503(b).)

§ 666.230 How does the Department determine the amounts for Incentive Grant awards?

(a) We determine the total amount to be allocated from funds available under WIA section 174(b) for Incentive Grants taking into consideration such factors as:

1. The availability of funds under section 174(b) for technical assistance, demonstration and pilot projects, evaluations, and Incentive Grants and the needs for these activities;
2. The number of States that are eligible for Incentive Grants and their relative program formula allocations under title I;
3. The availability of funds under WIA section 136(g)(2) resulting from funds withheld for poor performance by States; and
4. The range of awards established in WIA section 503(c).

(b) We will publish the award amount for eligible States, after consultation with the Secretary of Education, within 90 days after the due date, established under §666.205(a), for the latest State performance progress report providing the annual information needed to determine State eligibility.

(c) In determining the amount available to an eligible State, the Secretary, with the Secretary of Education, may consider such factors as:

1. The relative allocations of the eligible State compared to other States;
2. The extent to which the negotiated levels of performance were exceeded;
3. Performance improvement relative to previous years;
4. Changes in economic conditions, participant characteristics and proposed service design since the negotiated levels of performance were agreed to;
5. The eligible State’s relative performance for each of the indicators compared to other States; and
6. The performance on those indicators considered most important in terms of accomplishing national goals established by each of the respective Secretaries.

§ 666.240 Under what circumstances may a sanction be applied to a State that fails to achieve negotiated levels of performance for title I?

(a) If a State fails to meet the negotiated levels of performance agreed to under §666.120 for core indicators of performance or customer satisfaction indicators for the adult, dislocated worker or youth programs under title I.
