Subpart E—Resolution of Findings From Monitoring and Oversight Reviews

§ 667.500 What procedures apply to the resolution of findings arising from audits, investigations, monitoring and oversight reviews?

(a) Resolution of subrecipient-level findings.

(1) The Governor is responsible for resolving findings that arise from the State’s monitoring reviews, investigations and audits (including OMB Circular A–133 audits) of subrecipients.

(2) A State must utilize the audit resolution, debt collection and appeal procedures that it uses for other Federal grant programs.

(3) If a State does not have such procedures, it must prescribe standards and procedures to be used for this grant program.

(b) Resolution of State and other direct recipient level findings.

(1) The Secretary is responsible for resolving findings that arise from Federal audits, monitoring reviews, investigations, incident reports, and recipient level OMB Circular A–133 audits.

(2) The Secretary uses the DOL audit resolution process, consistent with the Single Audit Act of 1996 and OMB Circular A–133, and Grant Officer Resolution provisions of § 667.510, as appropriate.

(3) If the Grant Officer disagrees with the recipient’s handling of the matter, the Grant Officer proceeds under § 667.510.

§ 667.505 How do we resolve investigative and monitoring findings?

(a) As a result of an investigation, on-site visit or other monitoring, we notify the recipient of the findings of the investigation and give the recipient a period of time (not more than 60 days) to comment and to take appropriate corrective actions.

(b) The Grant Officer reviews the complete file of the investigation or monitoring report and the recipient’s actions under paragraph (a) of this section. The Grant Officer’s review takes into account the sanction provisions of WIA section 184(b) and (c). If the Grant Officer agrees with the recipient’s handling of the situation, the Grant Officer so notifies the recipient. This notification constitutes final agency action.

(c) If the Grant Officer disagrees with the recipient’s handling of the matter, the Grant Officer proceeds under § 667.510.

§ 667.510 What is the Grant Officer resolution process?

(a) General. When the Grant Officer is dissatisfied with the State’s disposition of an audit or other resolution of violations (including those arising out of incident reports or compliance reviews), or with the recipient’s response to findings resulting from investigations or monitoring report, the initial and final determination process, set forth in this section, is used to resolve the matter.

(b) Initial determination. The Grant Officer makes an initial determination on the findings for both those matters where there is agreement and those where there is disagreement with the recipient’s resolution, including the allowability of questioned costs or activities. This initial determination is based upon the requirements of the Act and regulations, and the terms and conditions of the grants, contracts, or other agreements under the Act.

(c) Informal resolution. Except in an emergency situation, when the Secretary invokes the authority described in WIA section 184(e), the Grant Officer may not revoke a recipient’s grant in whole or in part, nor institute corrective actions or sanctions, without first providing the recipient with an opportunity to present documentation or arguments to resolve informally those matters in controversy contained in the initial determination. The initial determination must provide for an informal resolution period of at least 60 days from issuance of the initial determination. If the matters are resolved informally, the Grant Officer must
