may consider the availability of electronic connections and other means to participate in the One-stop system in that area, in order to serve those individuals.

(b) The MOU must provide for appropriate and equitable services to MSFW’s, and may include costs of services to MSFW’s incurred by the One-Stop that extend beyond Wagner-Peyser funded services and activities.

§ 669.230 Can an NFJP grantee’s designation be terminated?

Yes, a grantee’s designation may be terminated for cause:

(a) By the Secretary, in emergency circumstances when such action is necessary to protect the integrity of Federal funds or ensure the proper operation of the program. Any grantee so terminated will be provided with written notice and an opportunity for a hearing within 30 days after the termination (WIA sec. 184(e)); or

(b) By the Grant Officer, if there is a substantial or persistent violation of the requirements in the Act or the WIA regulations. In such a case, the Grant Officer must provide the grantee with 60 days prior written notice, stating the reasons why termination is proposed, and the applicable appeal procedures.

§ 669.240 How do we use funds appropriated under WIA section 167 for the NFJP?

(a) At least 94 percent of the funds appropriated each year for WIA section 167 activities must be allocated to State service areas, based on the distribution of the eligible MSFW population determined under a formula which has been published in the Federal Register. Grants are awarded under a competitive process for the provision of services to eligible farmworkers within each service area.

(b) The balance, up to 6 percent of the appropriated funds, will be used for discretionary purposes, for such activities as grantee technical assistance and support of farmworker housing activities.
