

medical benefits when a carrier becomes insolvent and such obligations are not otherwise fully secured by a State guaranty fund. Any gap in State guaranty fund coverage will have a direct effect on the amount of security the Office will require a carrier to post. As used in this subpart, the terms “obligations under the Act” and “LHWCA obligations” mean a carrier’s liability for compensation payments and medical benefits arising under the Longshore and Harbor Workers’ Compensation Act and any of its extensions.

**§ 703.202 Identification of significant gaps in State guaranty fund coverage for LHWCA obligations.**

(a) In determining the amount of a carrier’s required security deposit, the Office will consider the extent to which a State guaranty fund secures the insurance carrier’s LHWCA obligations in that State. When evaluating State guaranty funds, the Office may consider a number of factors including, but not limited to—

- (1) Limits on weekly benefit amounts;
- (2) Limits on aggregate maximum benefit amounts;
- (3) Time limits on coverage;
- (4) Ocean marine exclusions;
- (5) Employer size and viability provisions; and
- (6) Financial strength of the State guaranty fund itself.

(b) OWCP will identify States without guaranty funds and States with guaranty funds that do not fully and immediately secure LHWCA obligations and will post its findings on the Internet at <http://www.dol.gov/esa/owcp/dlhwc/lstable.htm>. These findings will indicate the extent of any partial or total gap in coverage provided by a State guaranty fund, and they will be open for inspection and comment by all interested parties. If the extent of coverage a particular State guaranty fund provides either cannot be determined or is ambiguous, OWCP will deem one third (33⅓ percent) of a carrier’s LHWCA obligations in that State to be unsecured. OWCP will revise its findings from time to time, in response to substantiated public comments it re-

ceives or for any other reasons it considers relevant.

**§ 703.203 Application for security deposit determination; information to be submitted; other requirements.**

(a) Each insurance carrier authorized by OWCP to write insurance under the LHWCA or any of its extensions, and each insurance carrier seeking initial authorization to write such insurance, must apply annually, on a schedule set by OWCP, for a determination of the extent of its unsecured obligations and the security deposit required. The application must be addressed to the Branch of Financial Management and Insurance (Branch) within OWCP’s Division of Longshore and Harbor Workers’ Compensation, and be made on a form provided by OWCP. The application must contain the following:

(1) Any carrier seeking an exemption from the security deposit requirements based on its financial standing (*see* § 703.204(c)(1)) must submit documentation establishing the carrier’s current rating and its rating for the immediately preceding year from each insurance rating service designated by the Branch and posted on the Internet at <http://www.dol.gov/esa/owcp/dlhwc/lstable.htm>.

(2) All other carriers, and any carrier whose exemption request under paragraph (a)(1) of this section has been denied, must provide—

(i) A statement of the carrier’s outstanding liabilities under the LHWCA or any of its extensions for its LHWCA obligations for each State in which the obligations arise; and

(ii) Any other information the Branch requests to enable it to give the application adequate consideration including, but not limited to, the reports set forth at § 703.212.

(b) If the carrier disagrees with any of OWCP’s findings regarding State guaranty funds made under § 703.202(b) as they exist when it submits its application, the carrier may submit a statement of its unsecured obligations based on a different conclusion regarding the extent of coverage afforded by one or more State guaranty funds. The carrier must submit evidence and/or argument with its application sufficient to establish that such conclusion is correct.

(c) The carrier must sign and swear to the application. If the carrier is not an individual, the carrier's duly authorized officer must sign and swear to the application and list his or her official designation. If the carrier is a corporation, the officer must also affix the corporate seal.

(d) At any time after filing an application, the carrier must inform the Branch immediately of any material changes that may have rendered its application incomplete, inaccurate or misleading.

(e) By filing an application, the carrier consents to be bound by and to comply with the regulations and requirements in this part.

**§ 703.204 Decision on insurance carrier's application; minimum amount of deposit.**

(a) The Branch will issue a decision on the application determining the extent of an insurance carrier's unsecured LHWCA obligations and fixing the amount of security the carrier must deposit to fully secure payment of its unsecured obligations. The Branch will transmit its decision to the applicant in a way it considers appropriate.

(b) The Branch may consider a number of factors in setting the security deposit amount including, but not limited to, the—

(1) Financial strength of the carrier as determined by private insurance rating organizations;

(2) Financial strength of the carrier's insureds in the Longshore industry;

(3) Extent to which State guaranty funds secure the carrier's LHWCA obligations in the event the carrier defaults on its obligations or becomes insolvent;

(4) Carrier's longevity in writing LHWCA or other workers' compensation coverage;

(5) Extent of carrier's exposure for LHWCA coverage; and

(6) Carrier's payment history in satisfying its LHWCA obligations.

(c) In setting the security deposit amount, the Branch will follow these criteria:

(1) Carriers who hold the highest rating awarded by each of the three insurance rating services designated by the

Branch and posted on the Internet at <http://www.dol.gov/esa/owcp/dlhwc/lstable.htm> for both the current rating year and the immediately preceding year will not be required to deposit security.

(2) Carriers whose LHWCA obligations are fully secured by one or more State guaranty funds, as evaluated by OWCP under § 703.202 of this subpart, will not be required to deposit security.

(3) The Branch will require all carriers not meeting the requirements of paragraphs (c)(1) or (2) of this section to deposit security for their LHWCA obligations not secured by a State guaranty fund, as evaluated by OWCP under § 703.202 of this subpart. For carriers that write only an insignificant or incidental amount of LHWCA insurance, the Branch will require a deposit in an amount determined by the Branch from time to time. For all other carriers, the Branch will require a minimum deposit of one third (33⅓ percent) of a carrier's outstanding LHWCA obligations not secured by a State guaranty fund, but may require a deposit up to an amount equal to the carrier's total outstanding LHWCA obligations (100 percent) not secured by a State guaranty fund.

(d) If a carrier believes that a lesser deposit would fully secure its LHWCA obligations, the carrier may request a hearing before the Director of the Division of Longshore and Harbor Workers' Compensation (Longshore Director) or the Longshore Director's representative. Requests for hearing must be in writing and sent to the Branch within 10 days of the date of the Branch's decision. The carrier may submit new evidence and/or argument in support of its challenge to the Branch's decision and must provide any additional documentation OWCP requests. The Longshore Director or his representative will notify the carrier of the hearing date within 10 days of receiving the request. The Longshore Director or his representative will issue the final agency decision on the application within 60 days of the hearing date, or, where evidence is submitted after the hearing, within 60 days of the receipt of such evidence, but no later than 180 days after receiving the carrier's request for a hearing.
