area as well as the intention and ability to disseminate the information to the public; and

(iv) The significance of the contribution to public understanding, *i.e.*, whether the disclosure is likely to contribute significantly to public understanding of government operations or activities.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Department will consider the following two factors:

(i) The existence and magnitude of a commercial interest, *i.e.*, whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so,

(ii) The primary interest in disclosure, *i.e.*, whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(b) The Department may refuse to consider waiver or reduction of fees for requesters (persons or organizations) from whom unpaid fees remain owed to the Department for another information access request.

(c) Where only some of the records to be released satisfy the requirements for a waiver or reduction of fees, a waiver or reduction shall be granted for only those records.

(d) The Department's decision to refuse to waive or reduce fees may be appealed in accordance with §171.51.

(1) Information originated by the incumbent President or, in the performance of executive duties, the incumbent Vice President; the incumbent President's White House staff or, in the performance of executive duties, the incumbent Vice President's staff; committees, commissions, or boards appointed by the incumbent President; other entities within the Executive Office of the President that solely advise and assist the incumbent President;

(2) Information that is the subject of litigation;

(3) Information that has been reviewed for declassification within the past two years; and

(b) *Requests.* Requests for mandatory declassification review should be addressed to the Information and Privacy Coordinator at the address given in Sec. 171.5. E-mail requests are not accepted at this time.

(c) *Mandatory declassification review and the FOIA.* A mandatory declassification review request is separate and distinct from a request for records under the FOIA. When a requester submits a request under both mandatory declassification review and the FOIA, the Department shall require the requester to elect review under one process or the other. If the requester fails to make such election, the request will be under the process that would result in the greatest disclosure unless the in-

When the requested information cannot be declassified in its entirety, the Department shall release all meaningful portions that can be declassified and that are not exempt from disclosure on other grounds (see § 171.25).

(g) *Other agency information.* When the Department receives a request for information in its possession that was originally classified by another agency, it shall refer the request and the pertinent information to the other agency for processing unless that agency has agreed that the Department may review such information for declassification on behalf of that agency. The Department may, after consultation with the other agency, inform the requester of the referral unless association of the other agency with the information is itself classified.

(h) *Foreign government information.* In the case of a request for material containing foreign government information, the Department, if it is also the agency that initially received the foreign government information, shall determine whether the information may be declassified and may, if appropriate,
