(p) *Disposal of excessive stock of commodities.* If commodities are on hand which cannot be utilized in accordance with the approved Operational Plan or the TA, the cooperating sponsor shall promptly advise USAID or the Diplomatic Post of the quantities, location and condition of such commodities, and where possible, shall propose an alternate use of the excess stocks; USAID or the Diplomatic Post shall determine the most appropriate use of the excess stocks, and with prior AID/W concurrence, shall issue instructions for disposition. Transportation costs and other charges attributable to transferring commodities from one program to another within the country shall be the responsibility of the cooperating sponsor, except that in case of disaster or emergency, AID/W may authorize the use of disaster or emergency funds to pay for the costs of such transfers. (For discussion of unfit commodity disposal, see §211.8.)

(q) *Trilateral exchange programs.* The restrictions in this Regulation regarding the distribution, use or labeling of commodities shall not apply to commodities furnished by CCC in exchange for other commodities obtained from third parties (“exchanged commodities”) to be distributed in a recipient country under a trilateral exchange program. Except as A.I.D. and the cooperating sponsor may otherwise agree in writing, title to the exchanged commodities will pass to the cooperating sponsor upon delivery to and acceptance by the cooperating sponsor at the point of delivery specified in the Operational Plan or TA. (r) *Landing.* Governmental cooperating sponsors shall permit donated commodities to be discharged notwithstanding any dispute or question concerning quality, quantity, or other matters relating to the commodity itself. Any such dispute or question shall be resolved in accordance with procedures stated in this Regulation or in the relevant shipping or other contracts, as applicable.

§211.6 Processing, repackaging, and labeling commodities.

(a) *Commercial processing and repackaging.* Cooperating sponsors or their designees may arrange for processing commodities into different end products and for packaging or repackaging commodities prior to distribution. Commodities may be bartered, or monetized proceeds or program income may be used, to offset such costs if provided for in the Operational Plan or TA or approved by USAID or the Diplomatic Post. When commercial facilities are used for processing, packaging or repackaging, cooperating sponsors or their designees shall enter into written agreements for such services and copies of the agreements must be provided to USAID or the Diplomatic Post. Except as AID/W otherwise agrees, the executed agreements shall provide as a minimum that the party providing such services shall:

(1) Fully account to the cooperating sponsor for all commodities delivered to the processor’s possession and shall maintain adequate records and submit periodic reports pertaining to the performance of the agreement;

(2) Be liable for the value of all commodities not accounted for as provided in §211.9(e);

(3) Return or dispose of the containers in which the commodity is received from the cooperating sponsor according to instructions from the cooperating sponsor; and

(4) Plainly label carton, sacks, or other containers containing the end product in accordance with paragraph (c) of this section.

Recipients' individual identification cards shall to the maximum extent practicable be imprinted to contain such information.

(c) *Labeling.* If, prior to distribution, the cooperating sponsor arranges for packaging or repackaging donated commodities, the cartons, sacks, or other containers in which the commodities are packed shall be plainly labeled with the A.I.D. emblem, and insofar as practicable, with the following information in the language of the country in which the commodities are to be distributed:

§211.7 Arrangements for entry and handling in foreign country.

(a) *Costs at discharge ports.* Except as otherwise agreed upon by AID/W and provided in the applicable shipping contract or in paragraph (d) and (e) of this section, the cooperating sponsor shall be responsible for all costs, other than those assessed by the delivering carrier either in accordance with its

applicable tariff for delivery to the discharge port or the applicable charter or booking contract. The cooperating sponsor shall be responsible for all costs related to

(1) Distributing the commodity to end users, as provided in the approved Operational Plan or TA;

(2) Demurrage, detention, and overtime;

Consular or legalization invoices shall not be required unless specific provision is made in the Operational Plan or TA. If required, they shall be issued without cost to the cooperating sponsor or to the Government of the United States. The cooperating sponsor shall be responsible for ensuring prompt entry and transit in the foreign country(ies) and for obtaining all necessary import permits, licenses or other appropriate approvals for entry and transit, including phytosanitary, health and inspection certificates.

(c) *Storage facilities and transportation in foreign countries.* The cooperating sponsors shall provide assurance to USAID or the Diplomatic Post that all necessary arrangements for receiving the commodities have been made, and shall assume full responsibility for storage and maintenance of the commodities from time of delivery at port of entry abroad or, when authorized, at other designated points of entry abroad agreed upon between the cooperating sponsor and A.I.D.
