

§213.21

nontax delinquent debts may be collected through non-centralized administrative offset. In these cases, a creditor agency may make a request directly to a payment authorizing agency to offset a payment due a debtor to collect a delinquent debt.

(2) Before requesting a payment authorizing agency to conduct a non-centralized administrative offset, USAID's regulations provides that such offsets may occur only after:

(i) The debtor has been provided due process as set forth in paragraph (a) of this section; and

(ii) The payment authorizing agency has received written certification from the creditor agency that the debtor owes the past due, legally enforceable delinquent debt in the amount stated, and that the creditor agency has fully complied with its regulations concerning administrative offset.

(3) USAID as a payment authorizing agency will comply with offset requests by creditor agencies to collect debts owed to the United States, unless the offset would not be in the best interests of the United States with respect to USAID's program, or would otherwise be contrary to law.

(4) When collecting multiple debts by non-centralized administrative offset, USAID will apply the recovered amounts to those debts in accordance with the best interests of the United States, as determined by the facts and circumstances of the particular case, particularly the applicable statute of limitations.

(h) *Requests to OPM to offset a debtor's anticipated or future benefit payments under the Civil Service Retirement and Disability Fund.* Upon providing OPM written certification that a debtor has been afforded the procedures provided in paragraph (a) of this section, USAID may request OPM to offset a debtor's anticipated or future benefit payments under the Civil Service Retirement and Disability Fund (Fund) in accordance with regulations codified at 5 CFR 831.1801 through 831.1808. Upon receipt of such a request, OPM will identify and "flag" a debtor's account in anticipation of the time when the debtor requests, or becomes eligible to receive, payments from the Fund. This will satisfy any requirement that offset be ini-

tiated prior to the expiration of the time limitations referenced in paragraph (a)(4) of this section.

§213.21 Employee salary offset—general.

(a) *Purpose.* This section establishes USAID's policies and procedures for recovery of debts owed to the United States by installment collection from the current pay account of an employee.

(b) *Scope.* The provisions of this section apply to collection by salary offset under 5 U.S.C. 5514 of debts owed USAID and debts owed to other Federal agencies by USAID employees. USAID will make every effort reasonably and lawfully possible to administratively collect amounts owed by employees prior to initiating collection by salary offset. An amount advanced to an employee for per diem or mileage allowances in accordance with 5 U.S.C. 5705, but not used for allowable travel expenses, is recoverable from the employee by salary offset without regard to the due process provisions in §213.22. This section does not apply to debts where collection by salary offset is explicitly provided for or prohibited by another statute.

(c) *References.* The following statutes and regulations apply to USAID's recovery of debts due the United States by salary offset:

(1) 5 U.S.C. 5514, as amended, governing the installment collection of debts;

(2) 31 U.S.C. 3716, governing the liquidation of debts by administrative offset;

(3) 5 CFR part 550, subpart K, setting forth the minimum requirements for executive agency regulations on salary offset; and

(4) 31 CFR parts 900 through 904, the Federal Claims Collection Standards.

§213.22 Salary offset when USAID is the creditor agency.

(a) *Due process requirements—Entitlement to notice, hearing, written response and decision.* (1) Prior to initiating collection action through salary offset, USAID will first provide the employee with the opportunity to pay in full the amount owed, unless such notification

§ 213.22

will compromise the Government's ultimate ability to collect the debt.

(2) Except as provided in paragraph (b) of this section, each employee from whom the Agency proposes to collect a debt by salary offset under this section is entitled to receive a written notice as described in paragraph (c) of this section.

(3) Each employee owing a debt to the United States that will be collected by salary offset is entitled to request a hearing on the debt. This request must be filed as prescribed in paragraph (d) of this section. The Agency will make appropriate hearing arrangements that are consistent with law and regulations. Where a hearing is held, the employee is entitled to a written decision on the following issues:

(i) The determination of the Agency concerning the existence or amount of the debt; and

(ii) The repayment schedule, if it was not established by written agreement between the employee and the Agency.

(b) *Exceptions to due process requirements—pay and allowances.* The procedural requirements of paragraph (a) of this section are not applicable to overpayments of pay or allowances caused by the following:

(1) Any adjustment of pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program (such as health insurance) requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less. However, if the amount to be recovered was accumulated over more than four pay periods the full procedures prescribed under paragraph (d) of this section will be extended to the employee;

(2) Routine intra-agency adjustment in pay or allowances that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the 4 pay periods preceding the adjustment and, at the time of such adjustment, or as soon thereafter as practical, the employee is provided written notice of the nature and amount of the adjustment; or

(3) Any adjustment to collect a debt amounting to \$50 or less, if at the time

of such adjustment, or as soon thereafter as practical, the employee is provided written notice of the nature and amount of the adjustment.

(c) *Notification before deductions begin.* Except as provided in paragraph (b) of this section, deductions will not be made unless the employee is first provided with a minimum of 30 calendar days written notice. Notice will be sent by mail and must include the following:

(1) The Agency's determination that a debt is owed, including the origin, nature, and amount of the debt;

(2) The Agency's intention to collect the debt by means of deductions from the employee's current disposable pay account;

(3) The amount, frequency, proposed beginning date and duration of the intended deductions. (The proposed beginning date for salary offset cannot be earlier than 30 days after the date of notice, unless this would compromise the Government's ultimate ability to resolve the debt);

(4) An explanation of the requirements concerning interest, penalty and administrative costs;

(5) The employee's right to inspect and copy all records relating to the debt or to request and receive a copy of such records;

(6) If not previously provided, the employee's right to enter into a written agreement for a repayment schedule differing from that proposed by the Agency where the terms of the proposed repayment schedule are acceptable to the Agency. (Such an agreement must be in writing and signed by both the employee and the appropriate USAID official and will be included in the debt file);

(7) The right to a hearing conducted by a hearing official not under the control of USAID, if a request is filed;

(8) The method and time for requesting a hearing;

(9) That the filing of a request for hearing within 15 days of receipt of the original notification will stay the assessment of interest, penalty and administrative costs and the commencement of collection proceedings;

(10) That a final decision on the hearing (if requested) will be issued at the earliest practical date, but no later

than 60 days after the filing of the request, unless the employee requests and the hearing official grants a delay in the proceedings;

(11) That any knowingly false or frivolous statements, representations or evidence may subject the employee to—

(i) Disciplinary procedures under 5 U.S.C. chapter 75 or any other applicable statutes or regulations;

(ii) Criminal penalties under 18 U.S.C. 286, 287, 1001 and 1002 or other applicable statutory authority; or

(iii) Penalties under the False Claims Act, 31 U.S.C. 3729-3731, or any other applicable statutory authority;

(12) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made; and

(13) Unless there are applicable contractual or statutory provisions to the contrary, amounts paid or deducted for the debt which are later waived or found not owed to the United States will be promptly refunded to the employee.

(d) *Request for hearing.* An employee may request a hearing by filing a written, signed request directly with the Deputy Chief Financial Office, M/FM, United States Agency for International Development, Ronald Reagan Building, 1300 Pennsylvania Avenue NW., Washington, DC 20523-4601. The request must state the basis upon which the employee disputes the proposed collection of the debt. The request must be signed by the employee and be received by USAID within 15 days of the employee's receipt of the notification of proposed deductions. The employee should submit in writing all facts, evidence and witnesses that support his/her position to the Deputy Chief Financial Officer within 15 days of the date of the request for a hearing. The Deputy Chief Financial Officer will arrange for the services of a hearing official not under the control of USAID and will provide the hearing official with all documents relating to the claim.

(e) *Requests for hearing made after time expires.* Late requests for a hearing may be accepted if the employee can show that the delay in filing the request for a hearing was due to cir-

cumstances beyond the employee's control.

(f) *Form of hearing, written response and final decision.* (1) Normally, a hearing will consist of the hearing official making a decision based upon a review of the claims file and any materials submitted by the debtor. However, in instances where the hearing official determines that the validity of the debt turns on an issue of veracity or credibility which cannot be resolved through review of documentary evidence, the hearing official at his discretion may afford the debtor an opportunity for an oral hearing. Such oral hearings will consist of an informal conference before a hearing official in which the employee and the Agency will be given the opportunity to present evidence, witnesses and argument. If desired, the employee may be represented by an individual of his/her choice. The Agency shall maintain a summary record of oral hearings provided under the procedures in this section.

(2) Written decisions provided after a request for hearing will, at a minimum, state the facts evidencing the nature and origin of the alleged debt; and the hearing official's analysis, findings and conclusions.

(3) The decision of the hearing official is final and binding on the parties.

(g) *Request for waiver.* In certain instances, an employee may have a statutory right to request a waiver of overpayment of pay or allowances, e.g., 5 U.S.C. 5584 or 5 U.S.C. 5724(i). When an employee requests waiver consideration under a right authorized by statute, further collection on the debt will be suspended until a final administrative decision is made on the waiver request. However, where it appears that the Government's ability to recover the debt may be adversely affected because of the employee's resignation, termination or other action, suspension of recovery is not required. During the period of the suspension, interest, penalty charges and administrative costs will not be assessed against the debt. The Agency will not duplicate, for purposes of salary offset, any of the procedures already provided the debtor under a request for waiver.

Agency for International Development

§ 213.22

(h) *Method and source of collection.* A debt will be collected in a lump sum or by installment deductions at established pay intervals from an employee's current pay account, unless the employee and the Agency agree to alternative arrangements for payment. The alternative payment schedule must be in writing, signed by both the employee and the CFO and will be documented in the Agency's files.

(i) *Limitation on amount of deduction.* The size and frequency of installment deductions generally will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted for any period may not exceed 15 percent of the disposable pay from which the deduction is made, unless the employee has agreed in writing to the deduction of a greater amount. If possible, the installment payments will be in amounts sufficient to liquidate the debt in three years or less. Installment payments of less than \$50 normally will be accepted only in the most unusual circumstances.

(j) *Duration of deduction.* If the employee is financially unable to pay a debt in a lump sum or the amount of the debt exceeds 15 percent of disposable pay, collection will be made in installments. Installment deductions will be made over the period of active duty or employment except as provided in paragraph (a)(1) of this section.

(k) *When deductions may begin.* (1) Deductions to liquidate an employee's debt will begin on the date stated in the Agency's Bill for Collection or demand letter notice of intention to collect from the employee's current pay unless the debt has been repaid or the employee has filed a timely request for hearing on issues for which a hearing is appropriate.

(2) If the employee has filed a timely request for hearing with the Agency, deductions will begin after the hearing official has provided the employee with a final written decision indicating the amount owed the Government. Following the decision by the hearing official, the employee will be given 30 days to repay the amount owed prior to collection through salary offset, unless otherwise provided by the hearing official.

(1) *Liquidation from final check.* If the employee retires, resigns, or the period of employment ends before collection of the debt is completed, the remainder of the debt will be offset from subsequent payments of any nature due the employee (e.g., final salary payment, lump-sum leave, etc.).

(m) *Recovery from other payments due a separated employee.* If the debt cannot be liquidated by offset from any final payment due the employee on the date of separation, USAID will liquidate the debt, where appropriate, by administrative offset from later payments of any kind due the former employee (e.g., retirement pay). Such administrative offset will be taken in accordance with the procedures set forth in § 213.20.

(n) *Interest, penalty and administrative cost.* USAID will assess interest, penalties and administrative costs on debts collected under the procedures in this section. Interest, penalty and administrative costs will continue to accrue during the period that the debtor is seeking either formal or informal review of the debt or requesting a waiver. The following guidelines apply to the assessment of these costs on debts collected by salary offset:

(1) Interest will be assessed on all debts not collected by the payment due date specified in the bill for collection or demand letter. USAID will waive the collection of interest and administrative charges on the portion of the debt that is paid within 30 days after the date on which interest begins to accrue.

(2) Administrative costs will be assessed if the debt is referred to Treasury for cross-servicing.

(3) Deductions by administrative offset normally begin prior to the time for assessment of a penalty. Therefore, a penalty charge will not be assessed unless deductions occur more than 90 days from the due date in the bill for collection or demand letter.

(o) *Non-waiver of right by payment.* An employee's payment under protest of all or any portion of a debt does not waive any rights that the employee may have under either the procedures in this section or any other provision of law.

§ 213.23

22 CFR Ch. II (4–1–10 Edition)

(p) *Refunds.* USAID will promptly refund to the employee amounts paid or deducted pursuant to this section, the recovery of which is subsequently waived or otherwise found not owing to the United States. Refunds do not bear interest unless specifically authorized by law.

(q) *Time limit for commencing recovery by salary setoff.* USAID will not initiate salary offset to collect a debt more than 10 years after the Government's right to collect the debt first accrued, unless facts material to the right to collect the debt were not known and could not have been known through the exercise of reasonable care by the Government official responsible for discovering and collecting such debts.

§ 213.23 Salary offset when USAID is not the creditor agency.

(a) USAID will use salary offset against one of its employees that is indebted to another agency if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount) and that the procedural requirements of 5 U.S.C. 5514 and 5 CFR part 550, subpart K, have been met. The creditor agency must also advise USAID of the number of installments to be collected, the amount of each installment, and the commencement date of the first installment, if a date other than the next established pay period.

(b) Requests for salary offset must be sent to the Chief Financial Officer, Office of Financial Management (M/FM), United States Agency for International Development, Ronald Reagan Building, 1300 Pennsylvania Avenue NW., Washington, DC 20523–4601.

(c) *Processing of the claim by USAID—*

(1) *Incomplete claims.* If USAID receives an improperly completed request, the requesting (creditor) agency will be requested to supply the required information before any salary offset can be taken.

(2) *Complete claims.* If the claim procedures in paragraph (a) of this section have been properly completed, deduction will begin on the next established pay period. USAID will not review the merits of the creditor agency's deter-

minations with respect to the amount or validity of the debt as stated in the debt claim form. USAID will not assess a handling or any other related charge to cover the cost of its processing the claim.

(d) *Employees separating from USAID before a debt to another agency is collected—*(1) *Employees separating from Government service.* If an employee begins separation action before USAID collects the total debt due the creditor agency, the following actions will be taken:

(i) To the extent possible, the balance owed the creditor agency will be liquidated from subsequent payments of any nature due the employee from USAID in accordance with § 213.22;

(ii) If the total amount of the debt cannot be recovered, USAID will certify to the creditor agency and the employee the total amount of USAID's collection; and

(iii) If USAID is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, the Foreign Service Retirement Fund, or other similar payments, it will provide such information to the creditor agency so that it can file a certified claim against the payments.

(2) *Employees who transfer to another Federal agency.* If an USAID employee transfers to another Federal agency before USAID collects the total amount due the creditor agency, USAID will certify the total amount of the collection made on the debt. It is the responsibility of the creditor agency to ensure that the collection is resumed by the new employing agency.

Subpart D—Compromise of Debts

§ 213.24 General.

USAID may compromise claims for money or property where the principal balance of a claim, exclusive of interest, penalty and administrative costs, does not exceed \$100,000. Where the claim exceeds \$100,000, the authority to accept the compromise rests solely with DOJ. The CFO may reject an offer of compromise in any amount. Where the claim exceeds \$100,000 and USAID recommends acceptance of a compromise offer, it will refer the claim
