

§ 226.1001

waivers “flow down” to recipients of subawards unless specified otherwise. Principal Officers may also authorize the removal of USAID markings already affixed if circumstances warrant. Principal Officers’ determinations regarding waiver requests are subject to appeal to the Principal Officer’s cognizant Assistant Administrator. Recipients may appeal by submitting a written request to reconsider the Principal Officer’s waiver determination to the cognizant Assistant Administrator.

(k) *Non-retroactivity.* Marking requirements apply to any obligation of USAID funds for new awards as of January 2, 2006. Marking requirements also will apply to new obligations under existing awards, such as incremental funding actions, as of January 2, 2006, when the total estimated cost of the existing award has been increased by USAID or the scope of work is changed to accommodate any costs associated with marking. In the event a waiver is rescinded, the marking requirements shall apply from the date forward that the waiver is rescinded. In the event of the rescinding of a waiver after the date of completion as defined in 22 CFR 226.2 but before closeout as defined in 22 CFR 226.2., the USAID mission or operating unit with initial responsibility to administer the marking requirements shall make a cost benefit analysis as to requiring USAID marking requirements after the date of completion of the affected programs, projects, activities, public communications or commodities.

(l) The USAID Identity, USAID Partner Co-Branding Guide, and other guidance will be provided at no cost or fee to recipients of USAID grants, cooperative agreements or other assistance awards or subawards. Additional costs associated with marking requirements will be met by USAID if reasonable, allowable, and allocable under the cost principles of OMB Cost Circular A-122. The standard cost reimbursement provisions of the grant, cooperative agreement, other assistance award or subaward should be followed when applying for reimbursement of additional marking costs.

(m) This section shall become effective on January 2, 2006.
