§ 1502.5 Records available at the Foundation.

The Administration and Finance Division will make available for public inspection and copying, to the extent not authorized to be withheld, the following works or classes of information:

(a) A copy of Foundation regulations, including those published in title 22 of the Code of Federal Regulations or of any other title of the Code.

(b) Statements of policy and interpretations which have been adopted by the Foundation and which are not published in the FEDERAL REGISTER.

(c) Administrative staff manuals and instructions to staff that affect a member of the public;

(d) Any indexes providing identifying information regarding any record described in paragraphs (b) and (c) of this section.

(e) Brochures and other printed materials describing the Foundation’s activities.

§ 1502.6 Records of other departments and agencies.

Requests for records which have been originated by, or are primarily the concern of, another U.S. Department or Agency will be forwarded to the particular department or agency involved, and the petitioner so notified. In response to requests for records or publications published by the Government Printing Office or other government printing activity, the Foundation will refer the petitioner to the appropriate sales office and refund any fee payments which accompanied the request.

§ 1502.7 Fees.

(a) When charged. Fees shall be charged in accordance with the schedules contained in paragraph (b) of this section for services rendered in responding to requests for Foundation records under this sub-part unless the Director of A&F determines that such charges, or a portion thereof, are not in the public interest because furnishing the information primarily benefits the general public. Fees shall also not be charged where they would amount, in the aggregate, for a request or series of related requests, to less than $3. Ordinarily, fees shall not be charged if the records requested are not found, or if located, are withheld as exempt.

(b) Services charged for and amount charged. For the services listed below expended in locating or making available records or copies thereof, the following charges shall be assessed:

(1) Copies. For copies $.10 per copy of each page.

(2) Clerical searches. For each one quarter hour spent by clerical personnel in excess of the first quarter hour in searching for and producing requested records, $2.30.

(3) Non-routine, non-clerical searches. Where the task of determining which records fall within a request and collecting them requires the time of professional or managerial personnel, and where the time required is substantial, for each one quarter hour spent in excess of the first quarter hour, $5.40. No charge shall be made for the time spent in resolving legal or policy issues affecting access to records of known contents.

(4) Other charges. When a response to a request requires services or materials other than those described in paragraphs (b) (1) through (3) of this section, the direct cost of such services to the Foundation may be charged, providing the requestor has been given an
estimate of such cost before it is incurred.

(c) Revision of schedule. The fee schedule will be revised from time to time, without notice, to assure recovery of actual costs of rendering information services to any person. The revised schedule will be available without charge.

§ 1502.8 Exemptions.

The following categories are examples of records which, if maintained by the Foundation, may be exempted from disclosure under 5 U.S.C. 552(b):

(a) Records specifically required by executive order to be exempt from disclosure in the interest of the national defense or foreign policy which properly classified pursuant to such executive order;

(b) Records related solely to the internal personnel rules and practices of the Foundation;

(c) Records specifically exempted from disclosure by statute (other than 5 U.S.C. 552b), providing that such statute (1) requires that the matter be withheld from the public in such a manner as to leave no discretion, or (2) establishes criteria for withholding or refers to particular types of matters to be withheld;

(d) Trade secrets and commercial or financial information obtained from any person which is privileged or confidential;

(e) Interagency or intra-agency memoranda or letters which would not be available by law to a private party in litigation with the Foundation;

(f) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(g) Investigatory files (including security investigation files and files concerning the conduct of employees) compiled for law enforcement purposes, except to the extent available by law to a private party.

The Foundation will not honor requests for exempt records or information.

§ 1502.9 Processing of requests.

(a) Processing. A person who has made a written request for records which meets the requirements of § 1502.4 shall be informed by the Director of A&F within ten working days of receipt of the Foundation’s decision whether to deny or grant access to the records.

(b) Denials. If the Director of A&F, with the concurrence of the General Counsel, denies a request for records, the requestor will be informed of the name and title of the official responsible for the denial, the reasons for it, and the right to appeal the decision to the President of the Foundation within 15 working days of receipt of the denial. The President shall determine any appeal within 20 days of receipt and notify the requestor within the time period of the decision. If the decision is to uphold the denial, the requestor will be informed of the reasons for the decision and of the right to a judicial review of the decision in the federal courts.

(c) Extension of time. Where it is reasonably necessary to the proper processing of requests, the time required to respond to an FOIA request or an appeal may be extended for an additional 10 working days upon written notification to the requestor providing the reasons for the extension.

§ 1502.10 Judicial review.

On complaint, the district court of the United States in the district in which the complainant resides, or has his/her principal place of business, or in which the agency records are situated, or in the District of Columbia, has jurisdiction to enjoin the Foundation from withholding Foundation records, and to order the production of any agency records improperly withheld from the complainant (5 U.S.C. 552(a)(4)(B)).
