§ 750.108 General provisions.
No Class 3 or 4 signs may be permitted to be erected or maintained pursuant to §750.107, and no Class 2 sign may be permitted to be erected or maintained, in any manner inconsistent with the following:
(a) No sign may be permitted which attempts or appears to attempt to direct the movement of traffic or which interferes with, imitates or resembles any official traffic sign, signal or device.
(b) No sign may be permitted which prevents the driver of a vehicle from having a clear and unobstructed view of official signs and approaching or merging traffic.
(c) No sign may be permitted which contains, includes, or is illuminated by any flashing, intermittent or moving light or lights.
(d) No lighting may be permitted to be used in any way in connection with any sign unless it is so effectively shielded as to prevent beams or rays of light from being directed at any portion of the main-traveled way of the Interstate System, or is of such low intensity or brilliance as not to cause glare or to impair the vision of the driver of any motor vehicle, or to otherwise interfere with any driver’s operation of a motor vehicle.
(e) No sign may be permitted which moves or has any animated or moving parts.
(f) No sign may be permitted to be erected or maintained upon trees or painted or drawn upon rocks or other natural features.
(g) No sign may be permitted to exceed 20 feet in length, width or height, or 150 square feet in area, including border and trim but excluding supports, except Class 2 signs not more than 50 feet from, and advertising activities being conducted upon, the real property where the sign is located.

§ 750.109 Exclusions.
The standards in this part shall not apply to markers, signs and plaques in appreciation of sites of historical significance for the erection of which provisions are made in an agreement between a State and the Secretary of Transportation, as provided in the Act, unless such agreement expressly makes all or any part of the standards applicable.

§ 750.110 State regulations.
A State may elect to prohibit signs permissible under the standards in this part without forfeiting its rights to any benefits provided for in the act.

Subpart B—National Standards for Directional and Official Signs

§ 750.151 Purpose.
(a) In section 131 of title 23 U.S.C., Congress has declared that:
(1) The erection and maintenance of outdoor advertising signs, displays, and devices in areas adjacent to the Interstate System and the primary system should be controlled in order to protect the public investment in such highways, to promote safety and recreational value of public travel, and to preserve natural beauty.
(2) Directional and official signs and notices, which signs and notices shall include, but not be limited to, signs and notices pertaining to natural wonders, scenic and historical attractions, which are required or authorized by law, shall conform to national standards authorized to be promulgated by the Secretary, which standards shall contain provisions concerning the lighting, size, number and spacing of signs, and such other requirements as may be appropriate to implement the section.
(b) The standards in this part are issued as provided in section 131 of title 23 U.S.C.
