

§ 50.22

§ 50.22 Environmental management and monitoring.

An Environmental Management and Monitoring Program shall be established prior to project approval when it is deemed necessary by the HUD approving official. The program shall be part of the approval document and must:

(a) Be concurred in by the Field Environmental Clearance Officer (FECO) (in the absence of a FECO, by the Program Environmental Clearance Officer in Headquarters) and any cooperating agencies;

(b) Contain specific standards, safeguards and commitments to be completed during project implementation;

(c) Identify the staff who will be responsible for the post-approval inspection; and

(d) Specify the time periods for conducting the evaluation and monitoring the applicant's compliance with the project agreements.

§ 50.23 Public participation.

HUD shall inform the affected public about NEPA-related hearings, public meetings, and the availability of environmental documents (see 40 CFR 1506.6(b)) in accordance with this section. Where project actions result in a FONSI, the FONSI will be available in the project file. The local HUD field office may be contacted by persons who wish to review the FONSI. In all cases, HUD shall mail notices to those who have requested them. Additional efforts for involving the public in specific notice or compliance requirements shall be made in accord with the implementing procedures of the laws and authorities cited in § 50.4. Notices pertaining to an EIS or an amendment to an EIS or a FONSI subject to § 50.34 shall be given to the public in accordance with paragraphs (a) through (d) of this section.

(a) A NOI/EIS shall be forwarded to the AS/CPD to the attention of the Departmental Environmental Clearance Officer for publication in the FEDERAL REGISTER.

(b) Notices will be bilingual if the affected public includes a significant portion of non-English speaking persons and will identify a date when the official public involvement element of the

24 CFR Subtitle A (4-1-10 Edition)

proposed action is to be completed and HUD internal processing is to continue.

(c) All required notices shall be published in an appropriate local printed news medium, and sent to individuals and groups known to be interested in the proposed action.

(d) All notices shall inform the public where additional information may be obtained.

§ 50.24 HUD review of another agency's EIS.

Where another agency's EIS is referred to the HUD Field Office in whose jurisdiction the project is located, the Field Environmental Clearance Officer shall determine whether HUD has an interest in the EIS and, if so, will review and comment. Any EIS received from another Federal agency requesting comment on legislative proposals, regulations, or other policy documents shall be sent to the AS/CPD for comment, and the AS/CPD shall provide the General Counsel the opportunity for comment.

Subpart E—Environmental Assessments and Related Reviews

§ 50.31 The EA.

(a) Form HUD-4128—Environmental Assessment and Compliance Findings for the Related Laws—is the EA form to be used for analysis and documentation by HUD for projects and activities under subpart E. The Departmental Environmental Clearance Officer shall approve the issuance of equivalent formats, if Form HUD-4128 does not meet specific program needs.

(b) The program representative shall obtain interdisciplinary assistance from professional experts and other HUD staff as needed. Additional information may also be requested of the sponsor/applicant. HUD is responsible for assessing and documenting the extent of the environmental impact.

§ 50.32 Responsibility for environmental processing.

The program staff in the HUD office responsible for processing the project application or recommending a policy action is responsible for conducting the compliance finding, EA, or EIS. The collection of data and studies as part of
