

§ 8.4

(2) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(d) Any other entity which is established by two or more of the entities described in paragraphs (a), (b), or (c) of this section;

any part of which is extended Federal financial assistance.

Project means the whole of one or more residential structures and appurtenant structures, equipment, roads, walks, and parking lots which are covered by a single contract for Federal financial assistance or application for assistance, or are treated as a whole for processing purposes, whether or not located on a common site.

Qualified individual with handicaps means:

(a) With respect to employment, an individual with handicaps who, with reasonable accommodation, can perform the essential functions of the job in question; and

(b) With respect to any non-employment program or activity which requires a person to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the recipient can demonstrate would result in a fundamental alteration in its nature; or

(c) With respect to any other non-employment program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity. *Essential eligibility requirements* include stated eligibility requirements such as income as well as other explicit or implicit requirements inherent in the nature of the program or activity, such as requirements that an occupant of multifamily housing be capable of meeting the recipient's selection criteria and be capable of complying with all obligations of occupancy with or without supportive services provided by persons other than the recipient. For example, a chronically mentally ill person whose

particular condition poses a significant risk of substantial interference with the safety or enjoyment of others or with his or her own health or safety in the absence of necessary supportive services may be *qualified* for occupancy in a project where such supportive services are provided by the recipient as part of the assisted program. The person may not be *qualified* for a project lacking such services.

Recipient means any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution, organization, or other entity, or any person to which Federal financial assistance is extended for any program or activity directly or through another recipient, including any successor, assignee, or transferee of a recipient, but excluding the ultimate beneficiary of the assistance. An entity or person receiving housing assistance payments from a recipient on behalf of eligible families under a housing assistance payments program or a voucher program is not a recipient or subrecipient merely by virtue of receipt of such payments.

Replacement cost of the completed facility means the current cost of construction and equipment for a newly constructed housing facility of the size and type being altered. Construction and equipment costs do not include the cost of land, demolition, site improvements, non-dwelling facilities and administrative costs for project development activities.

Secretary means the Secretary of Housing and Urban Development.

Section 504 means section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794, as it applies to programs or activities receiving Federal financial assistance.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§ 8.4 Discrimination prohibited.

(a) No qualified individual with handicaps shall, solely on the basis of

handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity that receives Federal financial assistance from the Department.

(b)(1) A recipient, in providing any housing, aid, benefit, or service in a program or activity that receives Federal financial assistance from the Department may not, directly or through contractual, licensing, or other arrangements, solely on the basis of handicap:

(i) Deny a qualified individual with handicaps the opportunity to participate in, or benefit from, the housing, aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in, or benefit from, the housing, aid, benefit, or service that is not equal to that afforded to others;

(iii) Provide a qualified individual with handicaps with any housing, aid, benefit, or service that is not as effective in affording the individual an equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate housing, aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps from that provided to others unless such action is necessary to provide qualified individuals with handicaps with housing, aid, benefits, or services that are as effective as those provided to others.

(v) Aid or perpetuate discrimination against a qualified individual with handicaps by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any housing, aid, benefit, or service to beneficiaries in the recipient's federally assisted program or activity;

(vi) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vii) Deny a dwelling to an otherwise qualified buyer or renter because of a handicap of that buyer or renter or a person residing in or intending and eli-

gible to reside in that dwelling after it is sold, rented or made available; or

(viii) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by other qualified individuals receiving the housing, aid, benefit, or service.

(2) For purposes of this part, housing, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for individuals with handicaps and non-handicapped persons, but must afford individuals with handicaps equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

(3) A recipient may not deny a qualified individual with handicaps the opportunity to participate in any federally assisted program or activity that is not separate or different despite the existence of permissibly separate or different programs or activities.

(4) In any program or activity receiving Federal financial assistance from the Department, a recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would:

(i) Subject qualified individuals with handicaps to discrimination solely on the basis of handicap;

(ii) Defeat or substantially impair the accomplishment of the objectives of the recipient's federally assisted program or activity for qualified individuals with a particular handicap involved in the program or activity, unless the recipient can demonstrate that the criteria or methods of administration are manifestly related to the accomplishment of an objective of a program or activity; or

(iii) Perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a federally assisted facility, an applicant for assistance or a recipient may not make selections the purpose or effect of which would:

(i) Exclude qualified individuals with handicaps from, deny them the benefits

§ 8.5

of, or otherwise subject them to discrimination under, any program or activity that receives Federal financial assistance from the Department, or

(ii) Defeat or substantially impair the accomplishment of the objectives of the program or activity with respect to qualified individuals with handicaps.

(6) As used in this section, the housing, aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any housing, aid, benefit, or service provided in or through a facility that has been constructed, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(c)(1) Non-handicapped persons may be excluded from the benefits of a program if the program is limited by Federal statute or executive order to individuals with handicaps. A specific class of individuals with handicaps may be excluded from a program if the program is limited by Federal statute or Executive order to a different class of individuals.

(2) Certain Department programs operate under statutory definitions of *handicapped person* that are more restrictive than the definition of *individual with handicaps* contained in § 8.3 (see appendix B). Those definitions are not superseded or otherwise affected by this regulation.

(d) Recipients shall administer programs and activities receiving Federal financial assistance in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

(e) The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement that, based on handicap, imposes inconsistent or contradictory prohibitions or limits upon the eligibility of qualified individuals with handicaps to receive services or to practice any occupation or profession.

(f) The enumeration of specific forms of prohibited discrimination in paragraphs (b) through (e) of this section does not limit the general prohibition in paragraph (a) of this section.

§ 8.5 [Reserved]

§ 8.6 Communications.

(a) The recipient shall take appropriate steps to ensure effective communication with applicants, beneficiaries, and members of the public.

(1) The recipient shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity receiving Federal financial assistance.

(i) In determining what auxiliary aids are necessary, the recipient shall give primary consideration to the requests of the individual with handicaps.

(ii) The recipient is not required to provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where a recipient communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective communication systems shall be used.

(b) The recipient shall adopt and implement procedures to ensure that interested persons (including persons with impaired vision or hearing) can obtain information concerning the existence and location of accessible services, activities, and facilities.

(c) This section does not require a recipient to take any action that the recipient can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. If an action would result in such an alteration or burdens, the recipient shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity receiving HUD assistance.

Subpart B—Employment

§ 8.10 General prohibitions against employment discrimination.
