[36 FR 24537, Dec. 22, 1971, as amended at 44 FR 8195, Feb. 8, 1979; 50 FR 38786, Sept. 25, 1985; 51 FR 27838, Aug. 4, 1986; 64 FR 4770, Jan. 29, 1999]

**§ 207.258a Title requirements.**

(a) *Form of title evidence.* The title evidence submitted with a conveyance of the property to the Commissioner shall be in the form of an owner's policy of title insurance, except that, if an abstract and attorney's opinion were accepted by the Commissioner at the time of insurance, the title evidence may be in such form. The title evidence shall be effective on or after the date of the recording of the conveyance to the Commissioner.

(b) *Content of title evidence.* To be satisfactory to the Commissioner, the title evidence covering the property conveyed to him shall show the same title vested in the Commissioner as was vested in the mortgagor as of the date of the mortgage was filed for record, with the exception of such liens or other matters affecting the title as may be approved by the Commissioner.

**§ 207.258b Partial payment of claim.**

(a) Whenever the Commissioner receives notice under § 207.258 of a mortgagee's intention to file an insurance claim and to assign the mortgage to the Commissioner, the Commissioner may request the mortgagee, in lieu of assignment, to accept partial payment of the claim under the mortgage insurance contract and to recast the mortgage, under such terms and conditions as the Commissioner may determine.

(b) The Commissioner may request the mortgagee to participate in a partial payment of claim in lieu of assignment only after a determination that partial payment would be less costly to

the Federal government than other reasonable alternatives for maintaining the low- and moderate-income character of the project. This determination shall be based upon the findings listed below and such other findings as the Commissioner deems appropriate:

(1) The mortgagee is entitled, under § 207.255, to assign the mortgage in exchange for the payment of insurance benefits;

(2) The relief resulting from partial payment, when considered with other resources available to the project, would be sufficient to restore the financial viability of the project;

(3) The project is, or can at reasonable cost be made, structurally sound;

(4) The management of the project is satisfactory to the Commissioner; and

(5) The default under the insured mortgage was beyond the control of the mortgagor.

(c) Partial payment of a claim under this section shall be made only when:

(1) The project is, or potentially could serve as, a low- and moderate-income housing resource;

(2) The property covered by the mortgage is free and clear of all liens other than the insured first mortgage and such other liens as the Commissioner may have approved;

(3) The mortgagee has voluntarily agreed to accept partial payment of the insurance claim under the mortgage insurance contract and to recast the remaining mortgage amount under terms and conditions prescribed by the Commissioner; and

(4) The mortgagor has agreed to repay to the Commissioner an amount equal to the partial payment, with the obligation secured by a second mortgage on the project containing terms and conditions prescribed by the Commissioner. The terms of the second mortgage will be determined on a case-by-case basis to assure that the estimated project income will be sufficient to cover estimated operating expenses and debt service on the recast insured mortgage. The Commissioner may provide for postponed amortization of the second mortgage.

(d) Payment of insurance benefits under this section shall be in cash. The
