(b) *Type of commitment.* The commitment will provide for the insurance of the loan after satisfactory completion of installation of the fire safety equipment, as determined by the Secretary of HHS.

(c) *Term of commitment.* (1) If the commitment fee is paid as required, a commitment shall have a term within which the borrower is required to begin construction, and if construction is begun as required, for such additional period as the Commissioner deems necessary for satisfactory completion of installation.

(2) The term of a commitment may be extended in such manner as the Commissioner may prescribe.

(d) *Commitment fee.* A commitment fee which, when added to the application fee, will aggregate \$4.00 per thousand of the amount of the fire safety loan (with a minimum total of \$50.00 for both fees) set forth in the commitment, and shall be paid prior to issuance of the commitment.

(e) *Reopening of expired commitments.* An expired commitment may be reopened if a request for reopening is received by the Commissioner within 10 days of the expiration of the commitment. If an application is rejected before it is assigned for processing, or in such other instances as the Commissioner may determine, the entire application and commitment fees or any portion thereof may be returned to the applicant. Commitment and reopening fees may be refunded, in whole or in part, if it is determined by the Commissioner that the installation of fire safety equipment for the project has been prevented because of condemnation proceedings or other legal action taken by a governmental body or public agency, or in such other instances as the Commissioner may determine.
