§ 241.525 Refund of fees.

If the amount of the commitment issued or an increase in loan prior to endorsement is less than the amount applied for, the Commissioner shall refund the excess amount of the application and commitment fees submitted by the applicant. If an application is rejected before it is assigned for processing, or in such other instances as the Commissioner may determine, the entire application and commitment fees or any portion thereof may be returned to the applicant. Commitment, inspection, and reopening fees may be refunded, in whole or in part if it is determined by the Commissioner that the installation of energy conserving improvements for the project has been prevented because of condemnation proceedings or other legal action taken by a governmental body or public agency, or in such other instances as the Commissioner may determine.

§ 241.530 Maximum fees and charges by lender.

The lender may collect from the borrower the amount of the fees provided for in this subpart. The lender may also collect from the borrower an initial service charge in an amount not to exceed 2 percent of the original principal amount of the loan to reimburse the lender for the cost of originating and closing the transaction. Any additional charges shall be subject to the prior approval of the Commissioner.

ELIGIBLE SECURITY INSTRUMENTS

§ 241.530a Note and security form.

The lender shall present for insurance a note and security instrument, on forms approved by the Commissioner for use in the jurisdiction in which the property to be improved is located.

§ 241.535 Loan multiples—minimum principal.

The loan shall involve a principal obligation in multiples of $100, and the minimum principal obligation shall be $10,000.

§ 241.540 Method of loan payment and amortization period.

(a) Monthly payments. The loan shall provide for monthly payments on the first day of each month on account of interest and principal and shall provide for payment in accordance with the amortization plan as agreed upon by the borrower, the lender and the Commissioner.

(b) Amortization period. (1) The loan shall have an amortization of either 5, 10, or 15 years by providing for either 60, 120, or 180 monthly amortization payments. No energy saving loan shall have an amortization period in excess of 15 years unless the amount of the loan exceeds $50,000.00, in which event the amortization period may be increased to 20 years, with a provision for 240 monthly amortization payments.
