

(2) In any event, the loan shall have a maturity satisfactory to the Commissioner of not less than 2 or more than 20 years from the date of the beginning of amortization, or the Commissioner's estimate of the remaining economic life of the structure, whichever is the lesser.

(3) The Commissioner shall establish the date of the first payment to principal, which shall be no later than the first day of the second month following the date of final endorsement (for projects involving insurance of advances) or endorsement (for projects involving insurance upon completion) of the loan for insurance.

§ 241.545 Covenant against liens.

The security instrument shall contain a covenant against the creation by the borrower of additional liens against the property superior or inferior to the lien of such instrument, except with the prior approval of the Commissioner.

§ 241.550 Accumulation of next premium.

The security instrument shall provide for payments by the borrower to the lender on each interest payment date of an amount sufficient to accumulate in the hands of the lender one payment period prior to its due date, the next annual insurance premium payable by the lender to the Commissioner.

§ 241.555 Security instrument and lien.

(a) The security instrument shall cover the entire property included in the project, shall be a lien on the real property of the project under the laws of the jurisdiction in which the project is located, and may be junior to such prior liens or mortgage indebtedness as the Commissioner may approve. The security instrument shall contain a provision that a default under the first mortgage is a default under the supplementary loan security instrument.

(b) For bond-financed projects where the bond resolution contains a provision prohibiting the creation of additional liens, the Commissioner may accept at his/her option:

(1) A first lien on another property whose fair market value as determined

by the Commissioner equals or exceeds the amount of the loan insured under this part;

(2) A Collateral Account in an amount not less than the amount of the loan insured under this part funded with cash or negotiable bonds or securities backed by the full faith and credit of the United States Government; or

(3) Other security acceptable to the Commissioner.

§ 241.560 Agreed interest rate.

(a) The mortgage shall bear interest at the rate agreed upon by the lender and the borrower.

(b) Interest shall be payable in monthly installments on the principal amount of the loan outstanding on the due date of each installment.

[45 FR 57983, Aug. 29, 1980, as amended at 49 FR 19459, May 8, 1984]

§ 241.565 Maximum loan amount.

The principal amount of the loan shall in no event exceed the cost of the energy conserving improvements including the purchase thereof, cost of installation, architect's fees, interest during construction and such other miscellaneous fees and charges incident to construction as determined by the Commissioner. Nor shall the principal amount of the loan exceed the lesser of the following:

(a) An amount which can be supported by residual income, which is the amount of net income remaining after payment of all existing debt service requirements and deduction of proprietary earnings, as determined by the Commissioner. The computation of net income shall take into account the amount which will be saved in operating costs over the period of repayment of the loan as a result of the installation of the energy conserving improvements.

(b) An amount which, when added to the existing outstanding indebtedness, does not exceed the Commissioner's estimate of the value of the project after the energy conserving improvements are installed.

§ 241.570 Insurance endorsement.

(a) *Initial endorsement.* The Commissioner shall indicate his/her insurance
