Office of Assistant Secretary for Housing, HUD § 242.11

§ 242.11 Regulatory compliance required.

An application for insurance of a mortgage under this part shall be considered only in connection with a hospital that is in substantial compliance with regulations of the Department of Health and Human Services, other federal regulations, and state regulations governing kickbacks, self-referrals, and other issues that could increase the risk of eventual default. The Commissioner’s determination shall be based on an unqualified legal opinion as to compliance with applicable federal law, among other considerations.

§ 242.9 Physician ownership.

Ownership of an interest in the mortgagor by physicians or other professionals practicing in the hospital is permitted within limits determined by HUD to avoid insurance risks that may be associated with such ownership. The Commissioner shall determine if the proposed mortgagor will be at low risk for violation of regulations of the U.S. Department of Health and Human Services, other federal regulations, and state regulations governing kickbacks, self-referrals, and other issues that could increase the risk of eventual default. The Commissioner’s determination shall be based on an unqualified legal opinion as to compliance with applicable federal law, among other considerations.

§ 242.10 Eligible mortgagors.

The mortgagor shall be a public mortgagor (i.e., an owner of a public facility), a private nonprofit corporation or association, or a profit-motivated mortgagor meeting the definition of “hospital” in § 242.1. The mortgagor shall possess the powers necessary and incidental to operating a hospital. Eligible proprietary or profit-motivated mortgagors may include for-profit corporations, limited partnerships, and limited liability corporations and companies, but may not include natural persons, joint ventures, and general partnerships. Any proposed mortgagor must demonstrate that it has a continuity of organization commensurate with the term of the mortgage loan being insured. For new organizations, or those whose continuity is necessarily dependent upon an individual or individuals, broad community participation is required.
