the year following the date of the first principal payment, less the amount paid on the date of the final closing.

(c) *Subsequent premiums.* Until one of the conditions is met under § 266.606(a), the HFA on each anniversary of the date of the first principal payment shall pay to the Commissioner an annual mortgage insurance premium equal to the prescribed percentage of the average outstanding principal obligation of the mortgage, without taking into account delinquent payments, or partial claim payment under § 266.630, or prepayments, for the year following the date on which the premium becomes payable.

**§ 266.602 Mortgage insurance premium: Insured advances.**

(a) *Initial premium.* For projects involving insured advances, on the date of the initial closing, the HFA shall pay to the Commissioner an initial premium equal to the prescribed percentage, in the sliding scale chart that is shown in § 266.604(b), of the face amount of the mortgage.

(b) *Interim premium.* On each anniversary of the initial closing, the HFA shall pay an interim mortgage insurance premium equal to the prescribed percentage of the face amount of the mortgage. The HFA shall continue to pay the interim mortgage insurance premiums until the date of the first principal payment.

(c) *Premium payable with first payment of principal.* On the date of the first principal payment, the HFA shall pay a mortgage insurance premium equal to the prescribed percentage of the average outstanding principal obligation of the mortgage for the year following the date of the first principal payment. The HFA shall adjust this payment by deducting an amount equal to the portion of the last premium paid that is attributable to the months after the date of the first payment to principal. Any partial month is to be counted as a whole month. The HFA shall remit the net adjusted mortgage premium to the Commissioner and refund the amount of the adjustment (overpayment) to the mortgagor.

(d) *Subsequent premiums.* Until one of the conditions is met under § 266.606(a), the HFA on each anniversary of the

date of the first principal payment shall pay to the Commissioner an annual mortgage insurance premium equal to the prescribed percentage of the average outstanding principal obligation of the mortgage, without taking into account delinquent payments, prepayments, or a partial claim payment under § 266.630, for the year following the date on which the premium becomes payable.

**§ 266.604 Mortgage insurance premium: Other requirements.**

(a) *Premium calculations on or after first principal payment.* The premiums payable to the Commissioner on and after the first principal payment shall be calculated in accordance with the amortization schedule prepared by the HFA for final closing and the prescribed percentage as set forth in the sliding scale chart in paragraph (b) of this section without taking into account delinquent payments or prepayments.

(b) *Prescribed percentages.* The following sliding scale chart provides the prescribed percentage, based upon the respective share of risk, that is to be used in calculating mortgage insurance premiums under this section:

Percentage share of risk		Prescribed percentage for calculating HFA's annual MIP
HUD	HFA	
90	10	.45
75	25	.375
50	50	.25
40	60	.2
30	70	.15
20	80	.1
10	90	.05

(c) *Closing information.* The HFA shall provide final closing information to the Commissioner within 15 days of the final closing in a format prescribed by the Commissioner. In addition, the HFA shall submit a copy of the amortization schedule. This amortization shall be used to compute and collect all future mortgage insurance premiums subject to § 266.600(c) or § 266.602(d). If the mortgage is modified, the HFA shall submit to the Commissioner a copy of the revised amortization schedule, which shall be used to compute and collect all future mortgage insurance premiums subject to § 266.600(c) or § 266.602(d).

(d) *Due date for premium payments.* Mortgage insurance premiums are due on the first day of the month of the anniversary of the first payment to principal. Any premium received by the Commissioner more than 15 days after the due date shall be assessed a late charge of 4 percent of the amount of the premium payment due. Mortgage insurance premiums that are paid to the Commissioner more than 30 days after the due date shall begin to accrue interest at the rate prescribed by the Treasury Fiscal Requirements Manual.

**§ 266.606 Mortgage insurance premium: Duration and method of paying.**

(a) *Duration of payments.* Mortgage insurance premium payments must continue annually until one of the following occurs:

- (1) The mortgage is paid in full;
- (2) A deed to the HFA is filed for record;
- (3) An application for initial claim payment is received by the Commissioner; or
- (4) The Contract of Insurance is otherwise terminated.

(b) *Method of payment.* The HFA shall pay any mortgage insurance premium required by this part in cash.

**§ 266.608 Mortgage insurance premium: Pro rata refund.**

If the Contract of Insurance is terminated by payment in full or is terminated by the HFA on a form prescribed by the Commissioner, after the date of the first payment to principal, the Commissioner shall refund any mortgage insurance premium for the period after the effective date of the termination of insurance. The refund shall be mailed to the HFA for credit to the mortgagor's account. In computing the pro rata portion of the annual mortgage insurance premium, the date of termination of insurance shall be the last day of the month in which the mortgage is prepaid or the Commissioner receives a notification of termination, whichever is later. No refund shall be made if the insurance was terminated because of the submission of an application for initial claim payment or if the termination occurs be-

fore the date of the first payment to principal.

**§ 266.610 Method of payment of mortgage insurance premiums.**

In the cases that the Commissioner deems appropriate, the Commissioner may require, by means of instructions communicated to all affected mortgagees, that mortgage insurance premiums be remitted electronically.
