§ 570.492 State’s reviews and audits.

(a) The state shall make reviews and audits including on-site reviews, of units of general local government as may be necessary or appropriate to meet the requirements of section 104(e)(2) of the Act.

(b) In the case of noncompliance with these requirements, the State shall take such actions as may be appropriate to prevent a continuance of the deficiency, mitigate any adverse effects or consequences and prevent a recurrence. The state shall establish remedies for units of general local government noncompliance.

§ 570.493 HUD’s reviews and audits.

(a) General. At least on an annual basis, HUD shall make such reviews and audits as may be necessary or appropriate to determine:

(1) Whether the state has distributed CDBG funds to units of general local government in a timely manner in conformance to the method of distribution described in its action plan under part 91 of this title;

(2) Whether the state has carried out its certifications in compliance with the requirements of the Act and this subpart and other applicable laws; and

(3) Whether the state has made reviews and audits of the units of general local government required by § 570.492.

(b) Information considered. In conducting performance reviews and audits, HUD will rely primarily on information obtained from the state’s performance report, records maintained by the state, findings from on-site monitoring, audit reports, and the status of the state’s unexpended grant funds. HUD may also consider relevant information on the state’s performance gained from other sources, including litigation, citizens’ comments, and other information provided by the state. A State’s failure to maintain records in accordance with § 570.490 may result in a finding that the State has failed to meet the applicable requirement to which the record pertains.

§ 570.494 Timely distribution of funds by states.

(a) States are encouraged to adopt and achieve a goal of obligating and announcing 95 percent of funds to units of general local government within 12 months of the state signing its grant agreement with HUD.

(b) HUD will review each state to determine if the state has distributed CDBG funds in a timely manner. The state’s distribution of CDBG funds is timely if:

(1) All of the state’s annual grant (excluding state administration) has been obligated and announced to units of general local government within 15 months of the state signing its grant agreement with HUD; and

(2) Recaptured funds and program income received by the state are expeditiously obligated and announced to units of general local government.

(c) HUD may collect necessary information from states to determine whether CDBG funds have been distributed in a timely manner.

§ 570.495 Reviews and audits response.

(a) If HUD’s review and audit under § 570.493 results in a negative determination, or if HUD otherwise determines that a state or unit of general local government has failed to comply with any requirement of this subpart, the state will be given an opportunity to contest the finding and will be requested to submit a plan for corrective action. If the state is unsuccessful in contesting the validity of the finding to the satisfaction of HUD, or if the state’s plan for corrective action is not satisfactory to HUD, HUD may take one or more of the following actions to prevent a continuance of the deficiency; mitigate, to the extent possible, the adverse effects or consequence of the deficiency; or prevent a recurrence of the deficiency:
