§ 585.503 Conflict of interest.

(a)(1) In addition to the conflict of interest requirements in 24 CFR parts 84 and 85, no person who is an employee, agent, consultant, officer, or elected or appointed official of the recipient or cooperating entity named in the application and who exercises or has exercised any functions or responsibilities with respect to assisted activities, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from the activity, or have an interest in any contract, subcontract, or agreement with respect thereto, or the proceeds thereunder, either for himself or herself or for those with whom he or she has family or business ties, during his or her tenure or for one year thereafter, except that a resident of an eligible property may acquire an ownership interest.

(2) *Exception.* HUD may grant an exception to the exclusion in paragraph (a)(1) of this section on a case-by-case basis when it determines that such an exception will serve to further the purposes of the Youthbuild program. An exception may be considered only after

the applicant or recipient has provided a disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict, a description of how the public disclosure was made, and an opinion of the applicant's or recipient's attorney that the interest for which the exception is sought would not violate State or local law. In determining whether to grant a requested exception, HUD will consider the cumulative effect of the following factors, where applicable:

(i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the Youthbuild program that would otherwise not be available;

(ii) Whether an opportunity was provided for open competitive bidding or negotiation;

(iii) Whether the person affected is a member of a group or class intended to be the beneficiaries of the activity and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;

(iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision-making process, with respect to the specific activity in question;

(v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (a)(2) of this section;

(vi) Whether undue hardship will result either to the applicant, recipient, or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and

(vii) Any other relevant considerations.

(b) [Reserved]

§ 585.504 Use of debarred, suspended, or ineligible contractors.

The provisions of 2 CFR part 2424 apply to the employment of, engagement of services from, awarding of contracts to, or funding of any contractors or subcontractors during any period of debarment, suspension, or placement in ineligibility status.
