§ 599.201 Initiation of application process.

(a) Federal Register notice. To initiate the nomination process for Renewal Communities, HUD will publish a notice inviting applications for the designation of Renewal Communities in the Federal Register.

(b) Contents. The notice inviting applications will include specific information as to due dates and submission requirements.

§ 599.203 Basic application submission requirements.

The basic application submission requirements for nominating an area as a Renewal Community are:

(a) Identification of the nominated area. An application must identify the census tracts that constitute the nominated area. The nominated area must meet all of the eligibility requirements of subpart B of this part.

(b) State and local commitments. An application must include the documents evidencing compliance with State and local commitments required by § 599.107.

(c) Public notice certification. An application must include a certification, signed by a responsible official or employee of each nominating State and local government, that the public was provided notice of, and an opportunity to participate in, the application development process. Notice and opportunity to participate may include procedures such as placing announcements in newspapers or other media, holding public meetings, and soliciting comments.

Subpart D—Evaluation of Applications Nominating Renewal Communities

§ 599.301 Initial determination of threshold requirements.

(a) Two threshold requirements. Before rating and ranking an application, HUD will review it to determine if the application meets both of the following thresholds:

1. Eligibility of the nominated area. This threshold is met if HUD determines that the nominated area as identified in the application meets all of the area eligibility requirements of subpart B of this part.

2. Adequacy of State and local commitments. This threshold is met if HUD determines that the documents in the application evidencing compliance with the required State and local commitments meet all of the course of action and economic growth promotion requirements of § 599.107.

(b) Failure to meet threshold requirements—(1) No rating or ranking. An application that does not meet both of the threshold requirements by the application due date specified in the published notice inviting applications will not be rated or ranked for further Renewal Community consideration.

(2) Opportunity to correct failure. HUD will notify an applicant of the threshold deficiencies in its application. An applicant may submit additional information and take any other action required to correct the deficiencies and meet the threshold requirements until the due date for applications specified in the published notice inviting applications.

§ 599.303 Rating of applications.

(a) In general. Each application that qualifies by meeting the threshold requirements will receive a score based on its ranking, as described in paragraph (b) of this section, plus any preference points, as described in paragraph (c) of this section.

(b) Ranking score. Each nominated area meeting the minimum thresholds will be ranked from highest to lowest according to the area poverty rate, area unemployment rate, and for urban areas, the percentage of families below 80 percent of area median income. Urban nominated areas will be ranked separately from rural nominated areas. The percentile rank will be determined by dividing these rankings by the total number of nominated areas ranked and multiplying the result by 100. The average ranking will be determined by computing the simple average of the percentile ranks for each nominated area. To create a 100 point scale, the
average rankings will be subtracted from 100.

(c) Preference points—(1) Incidence of crime. A nominated area may receive a maximum of 1, 2, or 4 crime incidence preference points as follows:

(i) Number of points awarded. A nominated area will receive 1 additional point if its 1999 Local Crime Index (LCI), as determined on the basis of data from each State and local law enforcement authority with jurisdiction in the nominated area, does not exceed by more than 25% the nation-wide 1999 Crime Index rate per 100,000 inhabitants (CI) prepared as part of the FBI’s Uniform Crime Reporting (UCR) Program. A preference of 2 points will be added to the score of a nominated area with an LCI that does not exceed the CI by more than 10 percent. A nominated area that has an LCI that is less than the CI will receive 4 preference points.

(ii) Qualifying for preference points. To qualify for preference points based on the incidence of crime, the nominating governments must determine and then certify to the LCI determined for the nominated area, in accordance with §599.107(a)(3)

(2) Preference points for certain census tracts. A nominated area will receive one preference point if any of its census tracts is a census tract identified in GAO Report RCED–98–158R, dated May 12, 1998. (The GAO Report is available from U.S. General Accounting Office, P.O. Box 37050, Washington, DC 20013 or http://www.gao.gov.)

Subpart E—Selection of Nominated Areas To Be Renewal Communities

§ 599.401 Ranking of applications.

(a) Ranking order. Rural and urban applications will be ranked according to their final scores as determined in accordance with §599.303, with the highest scoring applications ranked first.

(b) Separate ranking categories. After initial ranking, both rural and urban applications will be separated into two ranking categories:

(1) Category 1. Applications for designation of nominated areas that are Enterprise Communities or Empowerment Zones will be placed into Category 1 in rank order.

(2) Category 2. Applications for designation of nominated areas that are not placed into or selected from Category 1 will be placed into Category 2 in rank order.

§ 599.403 Number of Renewal Communities to be designated.

(a) In general. Except as provided in paragraph (b) of this section, the total number of Renewal Communities to be designated and the distribution of designations between urban and rural areas are as follows:

(1) Total number. The total number of nominated areas to be selected for designation as Renewal Communities is 40.

(2) Rural areas. HUD will select at least 12 rural areas for designation as Renewal Communities. If HUD does not receive at least 12 eligible rural area applications for Renewal Community designation, the number of rural area designations will be the number of eligible rural area applications received by HUD.

(3) Urban areas. The number of urban areas selected for designation as Renewal Communities will be the number remaining after subtracting the number of rural areas selected from 40.

(b) Less than 40 eligible applications. If HUD receives fewer than 40 eligible applications for Renewal Community designation, the total number of nominated areas to be selected for designation as Renewal Communities will be the total number of eligible applications.

§ 599.405 Selection of Renewal Communities.

(a) Selection of Category 1 applications—(1) Six or less rural nominations. If there are six or fewer Category 1 rural area nominations, HUD will select all of the nominated rural areas in Category 1 for designation as Renewal Communities. HUD will then select the highest ranking Category 1 urban area nominations, but will not exceed a total of 20 Category 1 designations.

(2) More than six rural nominations. If there are more than six Category 1 rural area nominations, HUD will select the six highest ranked Category 1 rural applications, and will then select,
