The number of Section 202 or Section 811 supportive housing units must not be less than the number specified in the agreement letter for a capital advance. In the case of a Section 811 mixed-finance project, the additional units cannot cause the project to exceed the applicable Section 811 project size limit if they will also house persons with disabilities.

§ 891.809 Limitations on capital advance funds.
Capital advances are not available in connection with:
(a) Acquisition of facilities currently owned and operated by the sponsor as housing for the elderly, except with rehabilitation as defined in 24 CFR 891.105;
(b) The financing or refinancing of federally assisted or insured projects;

§ 891.810 Project rental assistance.
Project Rental Assistance is defined in §891.105. Project Rental Assistance is provided for operating costs, not covered by tenant contributions, attributable to the number of units funded by capital advances under the Section 202 and Section 811 supportive housing programs, subject to the provisions of 24 CFR 891.445. The sponsor of a mixed-finance development must obtain the necessary funds from a source other than project rental assistance funds for operating costs related to non-202 or -811 units.

§ 891.813 Eligible uses for assistance provided under this subpart.
(a) Assistance under this subpart may be used to finance the construction, reconstruction, or rehabilitation of a structure or a portion of a structure; or the acquisition of a structure to be used as supportive housing for the elderly; or the acquisition of housing to be used as supportive housing for persons with disabilities. Such assistance may also cover the cost of real property acquisition, site improvement, conversion, demolition, relocation, and other expenses that the Secretary determines are necessary to expand the supply of supportive housing for the elderly and persons with disabilities.
(b) Assistance under this subpart may not be used for excess amenities, as stated in 24 CFR 891.120(c). Such amenities may be included in a mixed-finance development only if:
(1) The amenities are not financed with funds provided under the Section 202 or Section 811 program;
(2) The amenities are not maintained and operated with Section 202 or 811 funds;
(3) The amenities are designed with appropriate safeguards for the residents’ health and safety; and
(4) The assisted residents are not required to use, participate in, or pay a fee for the use or maintenance of the amenities, although they are permitted to do so voluntarily. Any fee charged for the use, maintenance, or access to amenities by residents must be reasonable and affordable for all residents of the development.
(c) Notwithstanding any other provision of this section, §§891.220 and 891.315 on “prohibited facilities” apply to mixed-finance projects containing units assisted under section 202 or 811.

§ 891.815 Mixed-finance developer’s fee.
(a) Mixed-finance developer’s fee. A mixed-finance developer may include, on an up-front or deferral basis, or a combination of both, a fee to cover reasonable profit and overhead costs.
(b) Mixed-finance developer’s fee cap. No mixed-finance developer’s fee may be a greater percentage of the total project replacement costs than the percentage allowed by the state housing finance agency or other tax credit allocating agency in the state in which the mixed-finance development is sited. In no event may the mixed-finance developer’s fee exceed 15 percent of the total project replacement cost.
