Asst. Secry., for Public and Indian Housing, HUD § 941.501

payable for the work that has been accepted including any conditions precedent to payment that are stated in the construction contract or contract of sale. The contractor or developer shall be paid for items of delayed construction only after inspection and acceptance of this work by the PHA.

(2) Limitation. In the case of a PHA determined to be troubled or modernization troubled in accordance with part 901 of this chapter or a PHA that has for other reasons been notified in writing that it may not use the procedure specified in paragraph (b)(1) of this section, the procedure described in paragraph (b)(1) of this section will be followed, except that HUD must concur in the necessary PHA determinations and approvals.

(c) Guarantees and warranties. The construction contract or contract of sale shall specify the project guaranty period and amounts to be withheld and shall provide for assignment to the PHA of all manufacturer and supplier warranties required by the construction documents. The PHA shall inspect each dwelling unit and the overall project approximately three months after the beginning of the project guaranty period and three months before its expiration and also as may be necessary to exercise its rights before expiration of any warranties. The PHA shall require repair or replacement, prior to the expiration of the guaranty or warranty periods, of any defective items.

(d) Title to turnkey projects—(1) General. When the work has been inspected and accepted on a turnkey project, in accordance with paragraph (b) of this section, the PHA is authorized to take title to the completed project in accordance with the following certification. The PHA shall certify to HUD that it obtained a title insurance policy that guaranteed that the title was good and marketable before taking title and that it promptly recorded the deed and declaration of trust in the form prescribed by HUD.

(2) Limitation. After inspection and acceptance of the work in accordance with paragraph (b) of this section, a PHA that has been determined to be troubled or modernization troubled in accordance with part 901 of this chapter, or a PHA that has for other reasons been notified in writing that it may not use the procedure specified in paragraph (d)(1) of this section shall submit to HUD evidence that title to the completed project is good and marketable. If HUD approves the title evidence, it will inform the PHA that it is authorized to acquire title to the completed project. The PHA shall record promptly the deed and declaration of trust in the form prescribed by HUD, and HUD may require submission of evidence of such recordation.

§ 941.404 Completion of development.

(a) When all development has been completed and paid for, but not later than 12 months after the end of the initial operating period unless a longer period is approved by HUD, the PHA shall submit a statement of the actual development cost. For this purpose, the initial operating period with respect to each project is the period commencing with the date of initiation of the project and ending with the earliest of the following three dates: the end of the calendar quarter in which ninety-five percent of the dwelling units in the project are occupied; the end of the calendar quarter that is six, seven, or eight months after the date of full availability of the project; or the end of the calendar quarter next preceding the date of physical completion of the project.

(b) HUD shall review the statement and establish the actual development cost of the project, which becomes the maximum total development cost for purposes of the ACC.

EFFECTIVE DATE NOTE: At 61 FR 38021, July 22, 1996, § 941.404 was revised. This section contains information collection and recordkeeping requirements and will not become effective until approval has been given by the Office of Management and Budget.

Subpart E—Performance Review

§ 941.501 HUD review of PHA performance; sanctions.

(a) HUD determination. HUD shall carry out such reviews of the performance of each PHA as may be necessary or appropriate to make the determinations required by this paragraph (a),
