more unit sizes in all or a designated part of the PHA jurisdiction within the FMR area.

(g) *HUD review of PHA payment standard schedules.* (1) HUD will monitor rent burdens of families assisted in a PHA's voucher program. HUD will review the PHA's payment standard for a particular unit size if HUD finds that 40 percent or more of such families occupying units of that unit size currently pay more than 30 percent of adjusted monthly income as the family share. Such determination may be based on the most recent examinations of family income.

(2) After such review, HUD may, at its discretion, require the PHA to modify payment standard amounts for any unit size on the PHA payment standard schedule. HUD may require the PHA to establish an increased payment standard amount within the basic range.
