§ 170.410

What is the purpose of tribal long-range transportation planning?

(a) The purpose of long-range transportation planning is to clearly demonstrate a tribe’s transportation needs and to fulfill tribal goals by developing strategies to meet these needs. These strategies should address future land use, economic development, traffic demand, public safety, and health and social needs.

(b) The time horizon for long-range transportation planning should be 20 years to match state transportation planning horizons. A tribe may develop a long-range transportation plan under ISDEAA or may ask BIA to develop the plan on the tribe’s behalf.

§ 170.407

What happens to unobligated planning funds?

Once all tribal governments’ requests for tribal transportation planning funds have been satisfied for a given fiscal year or no later than August 15, the BIA regional office may use the remaining funds for construction after consultation with the affected tribal governments.
