

§ 175.13

§ 175.13 Procedures for adjusting electric power rates to reflect changes in the cost of purchased power or energy.

Whenever the cost of purchased power or energy changes, the effect of the change on the cost of service shall be determined and the Area Director shall adjust the power rates accordingly. Rate adjustments due to the change in cost of purchased power or energy shall become effective upon the unilateral action of the Area Director and shall remain in effect until amended by the Area Director pursuant to this section. A notice of the rate adjustment, the basis for the adjustment, the rate schedule(s) shall be published and posted in the same manner as described in § 175.12(c) of this part. The Area Director's decision shall be final for the Department of the Interior.

Subpart C—Utility Service Administration

§ 175.20 Gratuities.

All employees of the utility are forbidden to accept from a customer any personal compensation or gratuity rendered related to employment by the utility.

§ 175.21 Discontinuance of service.

Failure of customer(s) to comply with utility requirements as set forth in this part and the operations manual may result in discontinuance of service. The procedure(s) for discontinuance of service shall be set forth in the operations manual.

§ 175.22 Requirements for receiving electrical service.

In addition to the other requirements of this part, the customer, in order to receive electrical service, shall enter into a written service agreement or special contract for electrical power services.

§ 175.23 Customer responsibilities.

The customer(s) of a utility subject to this part shall:

(a) Comply with the National Electrical Manufacturers Association Standards and/or the National Electrical Code of the National Board of

25 CFR Ch. I (4–1–10 Edition)

Fire Underwriters for Electric Wiring and Apparatus as they apply to the installation and operation of customer-owned equipment;

(b) Be responsible for payment of all financial obligations resulting from receiving utility service;

(c) Comply with additional requirements as further defined in the operations manual;

(d) Not operate or handle the utility's facilities without the express permission of the utility;

(e) Not allow the unauthorized-use of electricity; and

(f) Not install or utilize equipment which will adversely affect the utility system or other customers of the utility.

§ 175.24 Utility responsibilities.

A utility subject to this part shall:

(a) Endeavor to provide safe and reliable energy to its customers. The specific types of service and limitations shall be further defined in the operations manual;

(b) Construct and operate facilities in accordance with accepted industry practice;

(c) Exercise reasonable care in protecting customer-owned equipment and property;

(d) Comply with additional requirements as further defined in the operations manual;

(e) Read meters or authorize the customer(s) to read meters at intervals prescribed in the operations manual, service agreement, or special contract, except in those situations where the meter cannot be read due to conditions described in the operations manual;

(f) Not operate or handle customer-owned equipment without the express permission of the customer, except to eliminate what, in the judgment of the utility, is an unsafe condition; and

(g) Not allow the unauthorized use of electricity.

Subpart D—Billing, Payments, and Collections

§ 175.30 Billing.

(a) *Metered customers.* The utility shall render bills at monthly intervals unless otherwise provided in special contracts. Bills shall be based on the
