

## §215.21

the Secretary of the Interior, such bond to be with responsible surety to the satisfaction of the Secretary of the Interior and conditioned for the faithful performance of the covenants and conditions of the lease. Upon the filing with the Indian agent of such assignment, financial statement, and bond, the said agent shall at once give notice in writing to all restricted Indian owners of said land, advising them of said proposed assignment, and that if they have any bona fide objections to same, such objections must be filed in writing within 10 days from the date of said notice.

### **§215.21 Payment of gross production tax on lead and zinc.**

The superintendent of the Quapaw Indian Agency is hereby authorized and directed to pay at the appropriate times, from the respective individual Indian funds held under his supervision, such gross production tax due the State on production of lead and zinc from restricted lands under his jurisdiction as may be properly assessed under provisions of law against the royalty interests of the respective Indian owners in the mineral produced from their lands.

### **§215.22 Operations.**

(a) All shafts shall be securely cribbed to a point at least 8 inches above the immediate surrounding surface and cribbing shall be maintained in good condition during the life of the mining lease: *Provided, however,* That at any time shafts may be permanently sealed by a reinforced concrete slab after first obtaining the written approval of the duly authorized representative of the Department of the Interior. The slab shall be so placed as to prevent caving of the ground around the shaft collar.

(b) All shafts, prior to the expiration, surrender, or upon cancellation of the mining lease or abandonment of the property, shall be permanently sealed so as to prevent the caving of the ground around the shaft collar: *Provided, however,* That this requirement may be waived after first obtaining the written consent of the duly authorized representative of the Department of the Interior.

## 25 CFR Ch. I (4-1-10 Edition)

(c) All shaft entrances not permanently sealed shall be so fenced, boxed, or covered as to prevent persons or animals from falling into the mine when the shaft is not in actual use, and such fencing, boxing, or covering shall be maintained in good condition during the life of the mining lease.

(d) All shafts where hoisting is done shall be boxed or fenced on three sides and the fourth side equipped with a gate which shall be kept closed when access to the shaft is not necessary.

(e) All churn drill holes shall be securely plugged to the surface unless used for ventilation or other mining purposes, in which case they shall be cased or otherwise prevented from caving or becoming a hazard to persons or animals. If cased, the casing shall extend 4 feet above the collar of the hole.

### **§215.23 Cooperation between superintendent and district mining supervisor.**

(a) The district mining supervisor of the Miami field office, Geological Survey, directly or through his assistants, shall receive from lessees for the superintendent, all notices, reports, drill logs, maps, and records, and all other information relating to mining operations required by said regulations to be submitted by lessees, and shall maintain a file thereof for the superintendent.

(b) The files of the Geological Survey supervisor relating to lead and zinc leases of Quapaw Indian lands shall be at all times available for inspection and use by authorized employees of the Bureau of Indian Affairs, and the employees of the Geological Survey assigned to work relating to Indian lands shall furnish to authorized employees of the Bureau of Indian Affairs such information and technical advice as may be necessary or appropriate to the most efficient cooperation in the conduct of the work assigned to the two bureaus. Likewise, similar facilities and service shall be provided for the benefit of the authorized employees of the Geological Survey by the Bureau of Indian Affairs.

(c) No orders of any kind will be issued by Geological Survey representatives to any Indian, but such representatives shall have full authority
