§ 217.5 Management decisions.

In arriving at management decisions concerning the assets, the business committee shall be entitled to cast 72,838.14 votes and the board of directors shall be entitled to cast 27,161.86 votes. Any total number of votes cast exceeding 50 shall be sufficient to determine an issue submitted to the joint managers for resolution. A majority of votes cast will decide an issue.

§ 217.6 Method of casting votes.

Within 30 days after an issue and any analysis provided for in §§ 217.4 and 217.5 have been submitted to the joint managers for resolution, they shall each notify the superintendent in writing of the number of votes cast for and against the proposed or alternative solutions. If either of the joint managers fails or refuses to cast his votes and to notify the superintendent thereof within the time specified, the superintendent may conclude that such joint managers’ votes have been cast against the proposed solution or solutions; or, if no solutions have been proposed, for the maintenance of the status quo. At the time they notify the superintendent of the votes cast on an issue, each joint manager shall furnish to the superintendent a certified copy of a resolution of the business committee or the board of directors, as the case may be, authorizing such vote.

§ 217.7 Implementation of decision.

The Secretary shall issue such documents as are necessary or expedient to implement the decisions of the joint managers, insofar as such issuance is authorized by law, and he shall execute and/or approve such documents for and on behalf of the joint managers, or either of them, and on behalf of the United States, as necessary. If it becomes necessary for the Secretary to execute an instrument on behalf of one or both of the joint managers and to approve the same instrument as trustee, two different officials having delegated authority from the Secretary shall serve as executing and approving officers, respectively.
