§ 39.144 What is the small high school adjustment?

(a) The small high school adjustment is a WSU adjustment given to a small high school that meets both of the following criteria:

1. It has a 3-year average daily membership (ADM) of less than 100 students; and
2. It operates as part of a school that during the 2003–04 school year also included lower grades.

(b) The following table shows the WSU adjustment given to small high schools. In the table, “X” stands for the ADM.

§ 39.133 Who decides how Language Development funds can be used?

Tribal governing bodies or local school boards decide how their funds for Language Development programs will be used in the instructional program to meet the needs of their students.

§ 39.134 How does a school identify a Limited English Proficient student?

A student is identified as limited English proficient (LEP) by using a nationally recognized scientifically research-based test.

§ 39.135 What services must be provided to an LEP student?

A school must provide services that assist each LEP student to:

(a) Become proficient in English and, to the extent possible, proficient in their Native language; and

(b) Meet the same challenging academic content and student academic achievement standards that all students are expected to meet under 20 U.S.C. 6311(b)(1).

§ 39.136 What is the WSU for Language Development programs?

Language Development programs are funded at 0.13 WSUs per student.

§ 39.137 May schools operate a language development program without a specific appropriation from Congress?

Yes, a school may operate a language development program without a specific appropriation from Congress, but any funds used for such a program must come from existing ISEP funds. When Congress specifically appropriates funds for Indian or Native languages, the factor to support the language development program will be no more than 0.25 WSU.
