

## § 1001.10

## 25 CFR Ch. VI (4–1–10 Edition)

(b) What must a tribe/consortium seeking a planning grant submit in order to meet the planning phase requirements? A tribe/consortium must submit the following material:

(1) A tribal resolution or other final action of the tribal governing body indicating a desire to plan for tribal self-governance;

(2) Audits from the last 3 years which document that the tribe meets the requirement of being free from any material audit exception;

(3) A proposal that describes the tribe's/consortium's plans to conduct:

(i) Legal and budgetary research, and

(ii) Internal tribal government and organization planning;

(4) A timeline indicating when planning will start and end; and

(5) Evidence that the tribe/consortium can perform the tasks associated with its proposal (i.e., submit resumes and position descriptions of key staff or consultants to be used).

(c) How will tribes/consortia know when and how to apply for planning grants? Each year, we will publish in the FEDERAL REGISTER a notice of the availability of planning grants for additional tribes as described in §1001.7. This notice will identify the specific details for applying.

(d) What criteria will be used to award planning grants to those tribes/consortia requiring advance funding to meet the planning phase requirement of Public Law 103-413? Advance planning grants are discretionary and based on need. The following criteria will be used to determine whether to award a planning grant to a tribe/consortium before the tribe is being selected into the applicant pool:

(1) A complete application as described in §§ 1001.9(b) and 1001.9(c);

(2) A demonstration of financial need. We will rank applications according to the percentage of tribal resources to total resources as indicated in the latest A-128 audit. We will give priority to applications that demonstrate financial need by having a lower level of tribal resources as a percent of total resources; and

(3) Other factors that demonstrate the readiness of the tribe/consortium to enter into a self-governance agreement, including previous efforts of the

tribe/consortium to participate in self-governance.

(e) Can tribes/consortia that receive advance planning grants also apply for a negotiation grant? Yes. Tribes/consortia that receive advance planning grants may submit a completed application to be included in the applicant pool. Once approved for inclusion in the applicant pool, the tribe/consortium may apply for a negotiation grant according to the process identified in §1001.7 above.

(f) When and how will a tribe/consortium know whether it has been selected to receive an advance planning grant? Within 30 days of the deadline for submitting applications we will notify the tribe/consortium by letter whether it has been selected to receive an advance planning grant.

### **§ 1001.10 Selection criteria for other planning and negotiating financial assistance.**

(a) What is the purpose of this section? This section describes how to apply for other financial assistance for planning and negotiating of a DOI non-BIA program, service, function or activity that may be available, as well as the selection process.

(b) Are there other funds that may be available to self-governance tribes/consortia for planning and negotiating with DOI non-BIA bureaus? Yes. Tribes/consortia may contact the Director, Office of Self-Governance to determine if funds are available for the purpose of planning and negotiating with DOI non-BIA bureaus under this section. A tribe/consortium may also request information from a DOI non-BIA bureau on any funds which may be available from that bureau.

(c) Who is eligible to apply for financial assistance to plan and negotiate for a DOI non-BIA program? Any existing self-governance tribe/consortium is eligible.

(d) Under what circumstances may planning and negotiation financial assistance be made available to tribes/consortia? At the discretion of the Director, grants may be awarded when requested by the tribe and coordinated with the DOI non-BIA agency involved.

**Office of the Assistant Secretary, Interior**

**§ 1001.10**

(e) How does the tribe/consortium apply for a grant to plan and negotiate for a DOI non-BIA program? When such funds are available, we will publish a notice of their availability and a deadline for submitting applications for such grants in the FEDERAL REGISTER as indicated in §1001.7.

(f) What must be included in the application? The application must include the following:

(1) The tribal resolution or other final action of the tribal governing body indicating that the tribe/consortium intends to negotiate for a DOI non-BIA program;

(2) A copy of the proposal or summary that was submitted to the DOI non-BIA bureau;

(3) A time line indicating when planning will begin and end;

(4) The planning resources from all other sources that are approved and/or anticipated for the planning activity; and

(5) The amount requested and a justification of why it is needed by the tribe/consortium.

(g) What criteria will we use to award grants to those tribes/consortia requesting financial assistance to plan and negotiate for a DOI non-BIA program? The award of such grants is discretionary. After consulting with the requesting tribe/consortium and the appropriate DOI non-BIA bureau, the Director will determine whether to award a grant to plan and negotiate for a DOI non-BIA program. The determination will be based upon the complexity of the project, the availability of resources from all other sources, and the relative need of the tribe/consortium to receive such funds for the successful completion of the planning and negotiating activity, as determined by the percentage of tribal resources to total resources as indicated in the latest A-128 audit. All decisions to award or not to award grants as described in paragraphs (e) and (f) of this section are final for the Department.
