§ 542.30 What is a Tier B gaming operation?

A Tier B gaming operation is one with gross gaming revenues of more than \$5 million but not more than \$15 million.

§ 542.31 What are the minimum internal control standards for drop and count for Tier B gaming operations?

(a) *Computer applications.* For any computer applications utilized, alternate documentation and/or procedures that provide at least the level of control described by the standards in this section, as approved by the Tribal gaming regulatory authority, will be acceptable.

(b) *Table game drop standards.* (1) The setting out of empty table game drop boxes and the drop shall be a continuous process.

(2) At the end of each shift:

(i) All locked table game drop boxes shall be removed from the tables by a person independent of the pit shift being dropped;

(ii) A separate drop box shall be placed on each table opened at any time during each shift or a gaming operation may utilize a single drop box with separate openings and compartments for each shift; and

(iii) Upon removal from the tables, table game drop boxes shall be transported directly to the count room or other equivalently secure area with comparable controls and locked in a secure manner until the count takes place.

(3) If drop boxes are not placed on all tables, then the pit department shall document which tables were open during the shift.
