§ 700.275 Requests for access to records.

The Privacy Act permits an individual, upon his request, to gain access to his record or to any information pertaining to him which is contained in a system and to review the record and have a copy made of all or any portion thereof in a form comprehensive to him, 5 U.S.C. 552a(d)(1). A request for access shall be submitted in accordance with the procedures in this subpart.

§ 700.277 Requests for access to records: Submission.

(a) Submission of requests. (1) Requests for access to records shall be submitted to the system manager having responsibility for the system in which the records are maintained unless the system notice describing the system prescribes or permits submission to some other official or officials.

(2) If an individual desires access to records maintained in two or more separate systems, he shall submit a separate request for access to the records in each system.

(b) Form of request. (1) A request for access to records subject to the Privacy Act shall be in writing.

(2) To insure expeditious handling, the request shall be prominently marked, both on the envelope and on the face of the request, with the legend "PRIVACY ACT REQUEST FOR ACCESS."

(3) The request shall specify whether the requester seeks all of the records contained in the system which relate to him or only some portion thereof. If the requester seeks only a portion of the records which relate to him, the request shall reasonably describe the specific records sought.

(4) If the requester seeks to have copies of the requested records made, the request shall state the maximum amount of copying fees which the requester is willing to pay. A request which does not state the amount of fees the requester is willing to pay will be treated as a request to inspect the requested records. Requesters are further notified that under §700.279(d) the failure to state willingness to pay fees as high as are anticipated by the Commission will delay processing of a request.

(5) The request shall supply such identifying information, if any, as is called for in the system notice describing the system.

(6) Requests failing to meet the requirements of this paragraph shall be returned to the requester with a written notice advising the request of the deficiency in the request.

§ 700.279 Requests for access to records: Initial decision.

(a) Decisions on requests. A request made under this subpart for access to a record shall be granted promptly unless (1) the record was compiled in reasonable anticipation of a civil action or proceeding or (2) the record is contained in a system of records which has been excepted from the access provisions of the Privacy Act by rulemaking.

(b) Authority to deny requests. A decision to deny a request for access under this subpart shall be made by the Privacy Act Officer.

(c) Form of decision. (1) No particular form is required for a decision granting access to a record. The decision shall, however, advise the individual requesting the record as to where and when the record is available for inspection or, as the case may be, where and when copies will be available. If fees are due under §700.279(d), the individual requesting the record shall also be notified of the amount of fees due or, if the exact amount has not been determined, the approximate amount of fees due.

(2) A decision denying a request for access, in whole or part, shall be in writing and shall state the basis for denial of the request. The decision shall also contain a statement that the denial may be appealed to the Executive Director pursuant to §700.281 by writing to Privacy Act Officer, Navajo and Hopi Indian Relocation Commission, P.O. Box KK, Flagstaff, Arizona 86002, and that the appeal must be received by this official within twenty (20) days (Saturdays, Sundays and public legal
