may file an application for waiver on behalf of a partnership.

(ii) In the event that multiple Federally-assisted buildings in a project are being acquired by the taxpayer, a single application for waiver with respect to such buildings may be filed if the application contains the required information set out for the address of each Federally-assisted building involved.

(iii) In the event that specific Federally-assisted buildings are being acquired by the taxpayer in a project consisting of multiple buildings that may or may not be Federally-assisted, a single application for waiver with respect to the Federally-assisted buildings being acquired may be filed if the application contains the required information set out for the address of each Federally-assisted building being acquired.

(4) Effective date of waiver. A waiver will be effective when granted in writing by the Internal Revenue Service after submission of a completed application for waiver filed under this paragraph (d).

(5) Attachment to return. A waiver letter granted by the Internal Revenue Service shall be filed with the taxpayer’s Federal income tax return for the first taxable year the low-income housing credit is claimed by the taxpayer.

(e) Effective date of regulations. The provisions of §1.42–2 are effective for buildings placed in service by the taxpayer after December 31, 1986.

§ 1.42–3 Treatment of buildings financed with proceeds from a loan under an Affordable Housing Program established pursuant to section 721 of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA).

(a) Treatment under sections 42(i) and 42(b). A below market loan funded in whole or in part with funds from an Affordable Housing Program established under section 721 of FIRREA is not, solely by reason of the Affordable Housing Program funds, a below market Federal loan as defined in section 42(f)(2)(D). Thus, any building with respect to which the proceeds of the loan are used during the tax year is not, solely by reason of the Affordable Housing Program funds, treated as a federally subsidized building for that tax year and subsequent tax years for purposes of determining the applicable percentage for the building under section 42(b).

(b) Effective date. The rules set forth in paragraph (a) of this section are effective for loans made after August 8, 1989.

§ 1.42–4 Application of not-for-profit rules of section 183 to low-income housing credit activities.

(a) Inapplicability to section 42. In the case of a qualified low-income building with respect to which the low-income housing credit under section 42 is allowable, section 183 does not apply to disallow losses, deductions, or credits attributable to the ownership and operation of the building.

(b) Limitation. Notwithstanding paragraph (a) of this section, losses, deductions, or credits attributable to the ownership and operation of a qualified low-income building with respect to which the low-income housing credit under section 42 is allowable may be limited or disallowed under other provisions of the Code or principles of tax law. See, e.g., sections 38(c), 163(d), 465, 469; Knetzch v. United States, 364 U.S. 361 (1960), 1961–1 C.B. 34 (“sham” or “economic substance” analysis); and Frank Lyon Co. v. Commissioner, 435 U.S. 561 (1978), 1978–1 C.B. 46 (“ownership” analysis).

(c) Effective date. The rules set forth in paragraphs (a) and (b) of this section are effective with respect to buildings placed in service after December 31, 1986.
