

§ 301.6104(d)-0

26 CFR Ch. I (4-1-10 Edition)

filed statements, records, reports, and other information relating to a determination described in paragraph (c) of this section which is relevant to a determination under State law, and which is in the hands of the Internal Revenue Service.

(ii) The following material will not be made available for inspection by State officers under section 6104(c) and this section—

(a) Interpretations by the Internal Revenue Service or other federal agency of federal laws (including the Internal Revenue Code of 1954 and its predecessors) which would not otherwise be made available to State officers under section 6103(d),

(b) Reports of informers, or any other material which would disclose the identity, or threaten the safety or anonymity, of an informer,

(c) Returns of persons (other than those exempt from taxation) which would not be available under section 6103(d) to the State officer requesting inspection, or

(d) Other material the disclosure of which the Commissioner has determined would prejudice the proper administration of the internal revenue laws.

(4) *Statement by State officer.* Before any State officer will be permitted to inspect material described in this paragraph, he must submit a statement to the Internal Revenue Service that he intends to use such material solely in fulfilling his functions under State law relating to organizations of the type described in section 501(c)(3); material is made available to State officers under this section in reliance on such statements. For provisions relating to penalties for misuse of information which is made available under section 6104(c) and this section, see 18 U.S.C. 1001.

(c) *Determinations defined.* For purposes of this section, a determination means a final determination by the Internal Revenue Service that—

(1) An organization is refused recognition as an organization described in section 501(c)(3), or has been operated in such a manner that it will not, or will no longer, be recognized as meeting the requirements for exemption under that section, or

(2) A deficiency of tax exists under section 507 or chapter 41 or 42.

For purposes of this paragraph, a determination by the Internal Revenue Service is not final until all administrative review with respect to such determination has been completed. For purposes of this section, a waiver of restrictions on assessment and collection of deficiency in tax is treated as a final determination that a deficiency of tax exists when such waiver has been finally accepted by the Internal Revenue Service. For example, a final determination that a deficiency of tax exists under section 507 or chapter 41 or 42 is made when the organization is sent a notice of deficiency with respect to such tax.

(d) *Effective date.* The provisions of this section apply with respect to all determinations made after December 31, 1969.
