(b) Participation. Section 410(a) and the regulations thereunder shall be applied as if all employees of each of the employers who maintain the plan were employed by a single employer.

(c) Exclusive benefit. In the case of a plan subject to this section, the exclusive benefit requirements of section 401(a) shall be applied to the plan in the same manner as under section 413(b)(3) and § 1.413–1(d).

(d) Vesting. Section 411 and the regulations thereunder shall be applied as if all employers who maintain the plan constituted a single employer. The application of any rules with respect to breaks in service under section 411 shall be made under regulations prescribed by the Secretary of Labor. Thus, for example, all the hours which an employee worked for each employer maintaining the plan would be aggregated in computing the employee’s hours of service under the plan. See also 29 CFR Part 2530 (Department of Labor regulations relating to minimum standards for employee pension benefit plans).

§ 1.414(b)–1 Controlled group of corporations.

(a) Definition of controlled group of corporations. For purposes of this section, the term “controlled group of corporations” has the same meaning as is assigned to the term in section 1563(a) and the regulations thereunder, except that (1) the term “controlled group of corporations” shall not include an “insurance group” described in section 1562(a)(4), and (2) section 1563(c)(1)(C) (relating to stock owned by certain employees’ trusts) shall not apply. For purposes of this section, the term “members of a controlled group” means two or more corporations connected through stock ownership described in section 1563(a) (1), (2), or (3), whether or not such corporations are “component members of a controlled group” within the meaning of section 1563(b). Two or more corporations are members of a controlled group at any time such corporations meet the requirements of section 1563(a) (as modified by this paragraph). For purposes of this section, if a corporation is a member of more than one controlled group of corporations, such corporation shall be treated as a member of each controlled group.

(b) Single plan adopted by two or more members. If two or more members of a controlled group of corporations adopt a single plan for a plan year, then the minimum funding standard provided in section 412, the tax imposed by section 4971, and the applicable limitations provided by section 404(a) shall be determined as if such members were a single employer. In such a case, the amount of such items and the allocable portion attributable to each member shall be determined in the manner provided in regulations under sections 412, 4971, and 404(a).

(c) Cross reference. For rules relating to the application of sections 401, 408(k), 410, 411, 415, and 416 with respect to two or more trades or businesses which are under common control, see section 414(c) and the regulations thereunder.

§ 1.414(c)–1 Commonly controlled trades or businesses.

For purposes of applying the provisions of sections 401 (relating to qualified pension, profit-sharing, and stock bonus plans), 408(k) (relating to simplified employee pensions), 410 (relating to minimum participation standards), 411 (relating to minimum vesting standards), 415 (relating to limitations on benefits and contributions under qualified plans), and 416 (relating to top-heavy plans), all employees of two or more trades or businesses under common control within the meaning of § 1.414(c)–2 for any period shall be treated as employed by a single employer. See sections 401, 408(k), 410, 411, 415, and 416 and the regulations thereunder for rules relating to employees of trades or businesses which are under common control. See § 1.414(c)–5 for effective date.
