

§ 1.534-3

26 CFR Ch. I (4-1-09 Edition)

§ 1.534-3 Jeopardy assessments in Tax Court cases.

In the case of a jeopardy assessment, a notice of deficiency is required to be sent to the taxpayer by registered mail (or by certified or registered mail, if the notice is mailed after September 2, 1958) within 60 days after the making of the assessment. See section 6861. If a jeopardy assessment is made before the mailing of the deficiency notice, then in the case of a proceeding in the Tax Court, if the deficiency notice informs the taxpayer that an amount of accumulated earnings tax is included in the deficiency, such notice shall constitute the notification provided for in section 534(b) and paragraph (c) of § 1.534-2. Under such circumstances the statement described in section 534(c) and paragraph (d) of § 1.534-2 shall instead be included in the taxpayer's petition to the Tax Court, if the taxpayer desires to submit such statement. See paragraph (b) of § 1.534-2, relating to burden of proof on the taxpayer.

§ 1.535-1 Definition.

(a) The accumulated earnings tax is imposed by section 531 on the accumulated taxable income. Accumulated taxable income is the taxable income of the corporation with the adjustments prescribed by section 535(b) and § 1.535-2, minus the sum of the dividends paid deduction and the accumulated earnings credit. See section 561 and the regulations thereunder, relating to the definition of the deduction for dividends paid, and section 535(c) and § 1.535-3, relating to the accumulated earnings credit.

(b) In the case of a foreign corporation, whether resident or nonresident, which files or causes to be filed a return, the accumulated taxable income shall be the taxable income from sources within the United States with the adjustments prescribed by section 535(b) and § 1.535-2 minus the sum of the dividends paid deduction and the accumulated earnings credit. In the case of a foreign corporation which files no return, the accumulated taxable income shall be the gross income from sources within the United States without al-

lowance of any deductions (including the accumulated earnings credit).

§ 1.535-2 Adjustments to taxable income.

(a) *Taxes*—(1) *United States taxes*. In computing accumulated taxable income for any taxable year, there shall be allowed as a deduction the amount by which Federal income and excess profits taxes accrued during the taxable year exceed the credit provided by section 33 (relating to taxes of foreign countries and possessions of the United States), except that no deduction shall be allowed for (i) the accumulated earnings tax imposed by section 531 (or a corresponding section of a prior law), (ii) the personal holding company tax imposed by section 541 (or a corresponding section of a prior law), and (iii) the excess profits tax imposed by subchapter E, chapter 2 of the Internal Revenue Code of 1939, for taxable years beginning after December 31, 1940. The deduction is for taxes accrued during the taxable year, regardless of whether the corporation uses an accrual method of accounting, the cash receipts and disbursements method, or any other allowable method of accounting. In computing the amount of taxes accrued, an unpaid tax which is being contested is not considered accrued until the contest is resolved.

(2) *Taxes of foreign countries and United States possessions*. In determining accumulated taxable income for any taxable year, if the taxpayer chooses the benefits of section 901 for such taxable year, a deduction shall be allowed for:

(i) The income, war profits, and excess profits taxes imposed by foreign countries or possessions of the United States and accrued during such taxable year, and

(ii) In the case of a domestic corporation, the foreign income taxes deemed to be paid for such taxable year under section 902(a) in accordance with §§ 1.902-1 and 1.902-2 or section 960(a)(1) in accordance with § 1.960-7.
