

such dividend is paid, the recapture period is extended through the date on which the dividend is paid.

(4) *United States resident.* See section 865(g) and the regulations thereunder for the definition of United States resident.

(e) *Effective date*—(1) *In general.* This section is applicable to loss recognized on or after January 11, 1999, except that paragraphs (a)(3)(ii), (b)(1)(iv) *Example 6*, (b)(4)(iii), (b)(4)(iv) *Example 3*, and (d)(3) of this section are applicable to loss recognized on or after January 8, 2002. For purposes of this paragraph (e), loss that is recognized but deferred (for example, under section 267 or 1092) shall be treated as recognized at the time the loss is taken into account.

(2) *Application to prior periods.* A taxpayer may apply the rules of this section to losses recognized in any taxable year beginning on or after January 1, 1987, and all subsequent years, provided that—

(i) The taxpayer's tax liability as shown on an original or amended tax return is consistent with the rules of this section for each such year for which the statute of limitations does not preclude the filing of an amended return on June 30, 2002; and

(ii) The taxpayer makes appropriate adjustments to eliminate any double benefit arising from the application of this section to years that are not open for assessment.

(3) *Examples.* The rules of this paragraph (e) may be illustrated by the following examples:

Example 1. (i) *P*, a domestic corporation, has a calendar taxable year. On March 10, 1985, *P* recognizes a \$100 capital loss on the sale of *N*, a foreign corporation. Pursuant to sections 1211(a) and 1212(a), the loss is not allowed in 1985 and is carried over to the 1990 taxable year. The loss is allocated against foreign source income under § 1.861-8(e)(7). In 1999, *P* chooses to apply this section to all losses recognized in its 1987 taxable year and in all subsequent years.

(ii) Allocation of the loss on the sale of *N* is not affected by the rules of this section because the loss was recognized in a taxable year that did not begin after December 31, 1986.

Example 2. (i) *P*, a domestic corporation, has a calendar taxable year. On March 10, 1988, *P* recognizes a \$100 capital loss on the sale of *N*, a foreign corporation. Pursuant to sections 1211(a) and 1212(a), the loss is not al-

lowed in 1988 and is carried back to the 1985 taxable year. The loss is allocated against foreign source income under § 1.861-8(e)(7) on *P*'s federal income tax return for 1985 and increases an overall foreign loss account under § 1.904(f)-1.

(ii) In 1999, *P* chooses to apply this section to all losses recognized in its 1987 taxable year and in all subsequent years. Consequently, the loss on the sale of *N* is allocated against U.S. source income under paragraph (a)(1) of this section. Allocation of the loss against U.S. source income reduces *P*'s overall foreign loss account and increases *P*'s tax liability in 2 years: 1990, a year that will not be open for assessment on June 30, 1999, and 1997, a year that will be open for assessment on June 30, 1999. Pursuant to paragraph (e)(2)(i) of this section, *P* must file an amended federal income tax return that reflects the rules of this section for 1997, but not for 1990.

Example 3. (i) *P*, a domestic corporation, has a calendar taxable year. On March 10, 1989, *P* recognizes a \$100 capital loss on the sale of *N*, a foreign corporation. The loss is allocated against foreign source income under § 1.861-8(e)(7) on *P*'s federal income tax return for 1989 and results in excess foreign tax credits for that year. The excess credit is carried back to 1988, pursuant to section 904(c). In 1999, *P* chooses to apply this section to all losses recognized in its 1989 taxable year and in all subsequent years. On June 30, 1999, *P*'s 1988 taxable year is closed for assessment, but *P*'s 1989 taxable year is open with respect to claims for refund.

(ii) Because *P* chooses to apply this section to its 1989 taxable year, the loss on the sale of *N* is allocated against U.S. source income under paragraph (a)(1) of this section. Allocation of the loss against U.S. source income would have permitted the foreign tax credit to be used in 1989, reducing *P*'s tax liability in 1989. Nevertheless, under paragraph (e)(2)(ii) of this section, because the credit was carried back to 1988, *P* may not claim the foreign tax credit in 1989.

[T.D. 8805, 64 FR 1511, Jan. 11, 1999, as amended by T.D. 8973, 66 FR 67085, Dec. 28, 2001; 67 FR 3812, Jan. 28, 2002]

NONRESIDENT ALIENS AND FOREIGN CORPORATIONS

NONRESIDENT ALIEN INDIVIDUALS

§ 1.871-1 Classification and manner of taxing alien individuals.

(a) *Classes of aliens.* For purposes of the income tax, alien individuals are divided generally into two classes, namely, resident aliens and nonresident aliens. Resident alien individuals are, in general, taxable the same

as citizens of the United States; that is, a resident alien is taxable on income derived from all sources, including sources without the United States. See § 1.1-1(b). Nonresident alien individuals are taxable only on certain income from sources within the United States and on the income described in section 864(c)(4) from sources without the United States which is effectively connected for the taxable year with the conduct of a trade or business in the United States. However, nonresident alien individuals may elect, under section 6013 (g) or (h), to be treated as U.S. residents for purposes of determining their income tax liability under Chapters 1, 5, and 24 of the code. Accordingly, any reference in §§ 1.1-1 through 1.1388-1 and §§ 1.1491-1 through 1.1494-1 of this part to non-resident alien individuals does not include those with respect to whom an election under section 6013 (g) or (h) is in effect, unless otherwise specifically provided. Similarly, any reference to resident aliens or U.S. residents includes those with respect to whom an election is in effect, unless otherwise specifically provided.

(b) *Classes of nonresident aliens*—(1) *In general.* For purposes of the income tax, nonresident alien individuals are divided into the following three classes:

(i) Nonresident alien individuals who at no time during the taxable year are engaged in a trade or business in the United States,

(ii) Nonresident alien individuals who at any time during the taxable year are, or are deemed under § 1.871-9 to be, engaged in a trade or business in the United States, and

(iii) Nonresident alien individuals who are bona fide residents of a section 931 possession (as defined in § 1.931-1(c)(1) of this chapter) or Puerto Rico during the entire taxable year. An individual described in paragraph (b)(1)(i) or (ii) of this section is subject to tax pursuant to the provisions of subpart A (section 871 and following), part II, subchapter N, chapter 1 of the Code, and the regulations under those provisions. The provisions of subpart A do not apply to individuals described in this paragraph (b)(1)(iii), but such individuals, except as provided in section 931

or 933, are subject to the tax imposed by section 1 or 55. See § 1.876-1.

(2) *Treaty income.* If the gross income of a nonresident alien individual described in subparagraph (1) (i) or (ii) of this paragraph includes income on which the tax is limited by tax convention, see § 1.871-12.

(3) *Exclusions from gross income.* For rules relating to the exclusion of certain items from the gross income of a nonresident alien individual, including annuities excluded under section 871(f), see §§ 1.872-2 and 1.894-1.

(4) *Expatriation to avoid tax.* For special rules applicable in determining the tax of a nonresident alien individual who has lost U.S. citizenship with a principal purpose of avoiding certain taxes, see section 877.

(5) *Adjustment of tax of certain nonresident aliens.* For the application of pre-1967 income tax provisions to residents of a foreign country which imposes a more burdensome income tax than the United States, and for the adjustment of the income tax of a national or resident of a foreign country which imposes a discriminatory income tax on the income of citizens of the United States or domestic corporations, see section 896.

(6) *Conduit financing arrangements.* For rules regarding conduit financing arrangements, see §§ 1.881-3 and 1.881-4.

(c) *Effective/applicability date.* This section shall apply for taxable years beginning after December 31, 1966. For corresponding rules applicable to taxable years beginning before January 1, 1967, see 26 CFR 1.871-1 and 1.871-7(a) (Revised as of January 1, 1971). Paragraph (b)(1)(iii) of this section applies to taxable years ending after April 9, 2008.

[T.D. 7332, 39 FR 44218, Dec. 23, 1974, as amended by T.D. 7670, 45 FR 6928, Jan. 31, 1980; T.D. 8611, 60 FR 41004, Aug. 11, 1995; T.D. 9194, 70 FR 18928, Apr. 11, 2005; T.D. 9391, 73 FR 19358, Apr. 9, 2008]

§ 1.871-2 Determining residence of alien individuals.

(a) *General.* The term *nonresident alien individual* means an individual whose residence is not within the United States, and who is not a citizen of the United States. The term includes a nonresident alien fiduciary. For such
