§ 26.230 Containers of distilled spirits to bear closures.

Containers of 1 gallon (3.785 liters) or less of distilled spirits, upon which all Federal internal revenue taxes have been paid or determined under provisions of this part, shall have closures or other devices affixed in accordance with the provisions of this part.

[T.D. ATF–206, 50 FR 23955, June 7, 1985]

§ 26.231 Affixing closures.

Closures or other devices shall be securely affixed to containers having capacity of 1 gallon (3.785 liters) or less so as to leave a portion remaining on the container when it is opened. In addition, the closures or other devices shall be constructed in such a manner as to require that they be broken to gain access to the contents of the containers.

§ 26.261 Action by district director of customs.

The district director of customs will direct the proper customs gauger to determine the taxable quantity of liquors contained in the consignment by regauge or inspection and report the result thereof to the district director of customs. Upon receipt of such report the district director of customs will refer to the certificate required by §26.205 covering the product to determine the rate of internal revenue tax applicable thereto. When the rate of tax applicable to the product has been ascertained, the tax due on the consignment will be determined according to §§26.262 through 26.265.

§ 26.262 Determination of tax on distilled spirits.

(a) If the certificate required by §26.205 covers distilled spirits, and the distilled spirits are not being transferred under subparts O or Oa of this part, the tax imposed by 26 U.S.C. 7652 which provides for a tax equal to the tax imposed by 26 U.S.C. 5001 will be collected on each proof gallon, and fractional part thereof, contained in the shipment.

(b) A credit against the tax imposed on distilled spirits by 26 U.S.C. 7652 is allowable under 26 U.S.C. 5010 on each proof gallon of alcohol derived from eligible wine or from eligible flavors which do not exceed 2 1⁄2 percent of the finished product on a proof gallon basis. The credit is allowable at the time the tax is payable as if it constituted a reduction in the rate of tax.

(c) Where credit against the tax is desired, the person liable for the tax shall establish an effective tax rate in accordance with §26.262a. The effective tax rate established will be applied to each withdrawal or other disposition of
