

§ 28.66 Strengthening bonds.

In all cases where the penal sum of any bond becomes insufficient, the principal shall either give a strengthening bond with the same surety to attain a sufficient penal sum, or give a new bond to cover the entire liability. Strengthening bonds will not be approved where any notation is made thereon which is intended, or which may be construed, as a release of any former bond, or as limiting the amount of any bond to less than its full penal sum. Strengthening bonds shall show the current date of execution and the effective date.

§ 28.67 New or superseding bonds.

New bonds shall be required in case of insolvency or removal of any surety, and may, at the discretion of the appropriate TTB officer, be required in any other contingency affecting the validity or impairing the efficiency of such bond. Executors, administrators, assignees, receivers, trustees, or other persons acting in a fiduciary capacity, continuing or liquidating the business of the principal, shall execute and file a new bond or obtain the consent of the surety or sureties on the existing bond or bonds. Where, under the provisions of § 28.72, the surety on any bond given under this subpart has filed an application to be relieved of liability under said bond and the principal desires or intends to continue the business or operations to which such bond relates, he shall file a valid superseding bond to be effective on or before the date specified in the surety's notice. If the principal does not file a new or superseding bond when required, he shall discontinue the operations intended to be covered by such bond forthwith. New or superseding bonds shall show the current date of execution and the effective date.
