(a) Surety bonds required under the provisions of this part may be given only with corporate sureties holding certificates of authority from the Secretary of the Treasury as acceptable sureties on Federal bonds. Limitations
§ 44.122  Deposits of bonds, notes, or obligations in lieu of corporate surety.

Bonds or notes of the United States, or other obligations which are unconditionally guaranteed as to both interest and principal by the United States, may be pledged and deposited by the export warehouse proprietor as security in connection with bond to cover his operations, in lieu of the corporate surety, in accordance with the provisions of Treasury Department Circular No. 154, revised (31 CFR part 225). Such bonds or notes which are nontransferable, or the pledging of which will not be recognized by the Treasury Department, are not acceptable as security in lieu of corporate surety.

§ 44.123  Amount of bond.

The amount of the bond filed by the export warehouse proprietor, as required by § 44.86, shall be not less than the estimated amount of tax which may at any time constitute a charge against the bond: Provided, That the amount of any such bond (or the total amount where original and strengthening bonds are filed) shall not exceed $200,000 nor be less than $1,000. The charge against such bond shall be subject to increase upon receipt of tobacco products, and cigarette papers and tubes into the export warehouse and to decrease as satisfactory evidence of exportation, or satisfactory evidence of such other disposition as may be used as the lawful basis for crediting such bond, is received by the appropriate TTB officer with respect to such articles transferred or removed. When the limit of liability under a bond given in less than the maximum amount has been reached, no additional shipments shall be received into the warehouse until a strengthening or superseding bond is filed, as required by § 44.124 or § 44.125.

§ 44.124  Strengthening bond.

Where the appropriate TTB officer determines that the amount of the bond, under which an export warehouse proprietor is currently carrying on business, no longer adequately protects the revenue, and such bond is in an amount of less than $200,000, the appropriate TTB officer may require the proprietor to file a strengthening bond in an appropriate amount with the same surety as that on the bond already in effect, in lieu of a superseding bond to cover the full liability on the basis of § 44.123.
