§2.93 Travel approval.

(a) A parolee's Supervision Officer may approve travel outside the district of supervision without approval of the Commission in the following situations:

(1) Vacation trips not to exceed thirty days.

(2) Trips, not to exceed thirty days, to investigate reasonably certain employment possibilities.

(3) Recurring travel across a district boundary, not to exceed fifty miles outside the district, for purpose of employment, shopping, or recreation.

(b) Specific advance approval by the Commission is required for all foreign travel, employment requiring recurring travel more than fifty miles outside the district, and vacation travel outside the district of supervision exceeding thirty days. A request for such permission shall be in writing and must demonstrate a substantial need for such travel.

28 CFR Ch. I (7-1-10 Edition)

(c) A special condition imposed by the Commission prohibiting certain travel shall apply instead of any general rules relating to travel as set forth in paragraph (a) of this section.

(d) The district of supervision for a parolee under the supervision of the D.C. Community Supervision Office of CSOSA shall be the District of Columbia, except that for the purpose of travel permission under this section the district of supervision will include the D.C. metropolitan area as defined in the certificate of parole.

§2.94 Supervision reports to Commission.

An initial supervision report to confirm the satisfactory initial progress of the parolee shall be submitted to the Commission 90 days after the parolee's release from prison, by the officer responsible for the parolee's supervision. A regular supervision report shall be submitted to the Commission by the officer responsible for the supervision of the parolee after the completion of 12 months of continuous community supervision and annually thereafter. The Supervision Officer shall submit such additional reports and information concerning both the parolee, and the enforcement of the conditions of the parolee's supervision, as the Commission may direct. All reports shall be submitted according to the format established by the Commission.

EDITORIAL NOTE: At 67 FR 57946, Sept. 13, 2002, the first sentence of paragraph (a) of §2.94 was removed. However, paragraph (a) of §2.94 did not exist in the 2001 Edition of that volume.

§2.95 Early termination from supervision.

(a)(1) Upon its own motion or upon request of a parolee, the Commission may terminate a parolee's supervision, and legal custody over the parolee, before the sentence expires.

(2) The Commission may terminate supervision of a committed youth offender after the offender serves one year on supervision. Upon terminating supervision before the sentence expires, the Commission shall set aside the committed youth offender's conviction and issue a certificate setting

aside the conviction instead of a certificate of termination.

(b) Two years after releasing a prisoner on supervision, and at least annually thereafter, the Commission shall review the status of the parolee to determine the need for continued supervision. The Commission shall also conduct a status review whenever the supervision officer recommends early termination of the parolee's supervision.

(c) Five years after releasing a prisoner on supervision, the Commission shall terminate supervision over the parolee unless the Commission determines, after a hearing conducted in accordance with the procedures prescribed in 18 U.S.C. 4214(a)(2), that such supervision should not be terminated because there is a likelihood that the parolee will engage in conduct violating any criminal law. If the Commission does not terminate supervision under this paragraph, the parolee may request a hearing annually thereafter, and the Commission shall conduct an early termination hearing at least every two years.

(d) In calculating the two-year and five-year periods provided in paragraphs (b) and (c) of this section, the Commission shall not include any period of parole before the most recent release, or any period the parolee served in confinement on any other sentence.

(e)(1) In determining whether to grant early termination from supervision, the Commission shall consider the guidelines of this paragraph (e). The guidelines are advisory and the Commission may disregard the outcome indicated by the guidelines based on case-specific factors. Termination of supervision is indicated if the parolee:

(i) Has a salient factor score in the very good risk category and has completed two continuous years of supervision free from an incident of new criminal behavior or serious parole violation; or

(ii) Has a salient factor score in a risk category other than very good and has completed three continuous years of supervision free from an incident of new criminal behavior or serious parole violation.

(2) As used in this paragraph (e), the term "an incident of new criminal be-

havior or serious parole violation" includes a new arrest or report of a parole violation if supported by substantial evidence of guilt, even if no conviction or parole revocation results. The Commission shall not terminate supervision of a parolee until it determines the disposition of a pending criminal charge.

(3) Case-specific factors that may justify a departure either above or below the early termination guidelines may relate to the current behavior of the parolee, or to the parolee's background and criminal history.

§ 2.96 Order of early termination.

When the Commission orders early termination from supervision, the Commission shall issue a certificate to the parolee granting a full discharge from the sentence. The termination and discharge shall take effect only upon the actual delivery of the certificate of discharge to the parolee by the supervision officer, and may be rescinded for good cause at any time before such delivery.

§ 2.97 Withdrawal of order of release.

If, after an order for release from active supervision under former § 2.95 has been issued by the Commission, and prior to the expiration date of the sentence(s) being served, the parolee commits any new criminal offense or engages in any conduct that might bring discredit to the parole system, the Commission may, in its discretion, do any of the following:

(a) Issue a summons or warrant to commence the revocation process;

(b) Withdraw the order of release from supervision and return the parolee to active supervision; or

(c) Impose any special conditions to the order of release from supervision.
