

§ 23.2

28 CFR Ch. I (7–1–10 Edition)

amended by Pub. L. 91–644, Pub. L. 93–83, Pub. L. 93–415, Pub. L. 94–430, Pub. L. 94–503, Pub. L. 95–115, Pub. L. 96–157, Pub. L. 98–473, Pub. L. 99–570, Pub. L. 100–690, and Pub. L. 101–647), are utilized in conformance with the privacy and constitutional rights of individuals.

§ 23.2 Background.

It is recognized that certain criminal activities including but not limited to loan sharking, drug trafficking, trafficking in stolen property, gambling, extortion, smuggling, bribery, and corruption of public officials often involve some degree of regular coordination and permanent organization involving a large number of participants over a broad geographical area. The exposure of such ongoing networks of criminal activity can be aided by the pooling of information about such activities. However, because the collection and exchange of intelligence data necessary to support control of serious criminal activity may represent potential threats to the privacy of individuals to whom such data relates, policy guidelines for Federally funded projects are required.

§ 23.3 Applicability.

(a) These policy standards are applicable to all criminal intelligence systems operating through support under the Omnibus Crime Control and Safe Streets Act of 1968, 42 U.S.C. 3711, *et seq.*, as amended (Pub. L. 90–351, as amended by Pub. L. 91–644, Pub. L. 93–83, Pub. L. 93–415, Pub. L. 94–430, Pub. L. 94–503, Pub. L. 95–115, Pub. L. 96–157, Pub. L. 98–473, Pub. L. 99–570, Pub. L. 100–690, and Pub. L. 101–647).

(b) As used in these policies:

(1) *Criminal Intelligence System* or *Intelligence System* means the arrangements, equipment, facilities, and procedures used for the receipt, storage, interagency exchange or dissemination, and analysis of criminal intelligence information;

(2) *Interjurisdictional Intelligence System* means an intelligence system which involves two or more participating agencies representing different governmental units or jurisdictions;

(3) *Criminal Intelligence Information* means data which has been evaluated to determine that it:

(i) Is relevant to the identification of and the criminal activity engaged in by an individual who or organization which is reasonably suspected of involvement in criminal activity, and

(ii) Meets criminal intelligence system submission criteria;

(4) *Participating Agency* means an agency of local, county, State, Federal, or other governmental unit which exercises law enforcement or criminal investigation authority and which is authorized to submit and receive criminal intelligence information through an interjurisdictional intelligence system. A participating agency may be a member or a nonmember of an interjurisdictional intelligence system;

(5) *Intelligence Project* or *Project* means the organizational unit which operates an intelligence system on behalf of and for the benefit of a single agency or the organization which operates an interjurisdictional intelligence system on behalf of a group of participating agencies; and

(6) *Validation of Information* means the procedures governing the periodic review of criminal intelligence information to assure its continuing compliance with system submission criteria established by regulation or program policy.

§ 23.20 Operating principles.

(a) A project shall collect and maintain criminal intelligence information concerning an individual only if there is reasonable suspicion that the individual is involved in criminal conduct or activity and the information is relevant to that criminal conduct or activity.

(b) A project shall not collect or maintain criminal intelligence information about the political, religious or social views, associations, or activities of any individual or any group, association, corporation, business, partnership, or other organization unless such information directly relates to criminal conduct or activity and there is reasonable suspicion that the subject of the information is or may be involved in criminal conduct or activity.
