Subpart A—Competition

§ 34.1 Purpose and applicability.

(a) This subpart of the regulation implements section 262(d)(1) (A) and (B) of the Juvenile Justice and Delinquency Prevention Act of 1974, as amended (42 U.S.C. 5601 *et seq.*). This provision requires that project applications, selected for categorical assistance awards under part C—National Programs shall be selected through a competitive process established by rule by the Administrator, OJJDP. The statute specifies that this process must include announcement in the FEDERAL REGISTER of the availability of funds for assistance programs, the general criteria applicable to the selection of applications for assistance, and a description of the procedures applicable to the submission and review of assistance applications.

(b) This subpart of the regulation applies to all grant, cooperative agreement, and other assistance awards selected by the Administrator, OJJDP, or the Administrator's designee, under part C—National Programs, of the Juvenile Justice and Delinquency Prevention Act of 1974, as amended, except as provided in the exceptions to applicability set forth below.

§ 34.2 Exceptions to applicability.

The following are assistance and procurement contract award situations that OJJDP considers to be outside the scope of the section 262(d)(1) competition requirement:

(a) Assistance awards to initially fund or continue projects if the Administrator has made a written determination that the proposed program is not within the scope of any program announcement expected to be issued, is otherwise eligible for an award, and the proposed project is of such outstanding merit, as determined through peer review under subpart B of this part, that an assistance award without competition is justified (section 262(d)(1)(B)(i));

(b) Assistance awards to initially fund or continue training services to be funded under part C, section 244, if the Administrator has made a written determination that the applicant is uniquely qualified to provide proposed training services and other qualified sources are not capable of providing such services (section 262(d)(1)(B)(ii));

(c) Assistance awards of funds transferred to OJJDP by another Federal agency to augment authorized juvenile justice programs, projects, or purposes;

(d) Funds transferred to other Federal agencies by OJJDP for program purposes as authorized by law;

(e) Procurement contract awards which are subject to applicable Federal laws and regulations governing the procurement of goods and services for the benefit and use of the government;

(f) Assistance awards from the 5% “set aside” of Special Emphasis funds under section 261(e); and

(g) Assistance awards under section 241(f).

§ 34.3 Selection criteria.

(a) All individual project applications will, at a minimum, be subject to review based on the extent to which they meet the following general selection criteria:

(1) The problem to be addressed by the project is clearly stated;

(2) The objectives of the proposed project are clearly defined;

(3) The project design is sound and contains program elements directly linked to the achievement of project objectives;

(4) The project management structure is adequate to the successful conduct of the project;

(5) Organizational capability is demonstrated at a level sufficient to successfully support the project; and

(6) Budgeted costs are reasonable, allowable and cost effective for the activities proposed to be undertaken.

(b) The general selection criteria set forth under paragraph (a.) of this section, may be supplemented for each announced competitive program by program-specific selection criteria for the particular part C program. Such announcements may also modify the general selection criteria to provide greater specificity or otherwise improve

their applicability to a given program. The relative weight (point value) for each selection criterion will be specified in the program announcement.

§ 34.4 Additional competitive application requirements and procedures.

(a) *Applications for grants.* Any applicant eligible for assistance may submit on or before such submission deadline date or dates as the Administrator may establish in program announcements, an application containing such pertinent information and in accordance with the forms and instructions as prescribed therein and any additional forms and instructions as may be specified by the Administrator. Such application shall be executed by the applicant or an official or representative of the applicant duly authorized to make such application and to assume on behalf of the applicant the obligations imposed by law, applicable regulations, and any additional terms and conditions of the assistance award. The Administrator may require any applicant eligible for assistance under this subpart to submit a preliminary proposal for review and approval prior to the acceptance of an application.

(b) *Cooperative arrangements.* (1) When specified in program announcements, eligible parties may enter into cooperative arrangements with other eligible parties, including those in another State, and submit joint applications for assistance.

(2) A joint application made by two or more applicants for assistance may have separate budgets corresponding to the programs, services and activities performed by each of the joint applicants or may have a combined budget. If joint applications present separate budgets, the Administrator may make separate awards, or may award a single assistance award authorizing separate amounts for each of the joint applicants.

(c) *Evaluation of applications submitted under part C of the Act.* All applications filed in accordance with § 34.1 of this subpart for assistance with part C—National Programs funds shall be evaluated by the Administrator through OJJDP and other DOJ personnel (internal review) and by such experts or consultants required for this purpose that

the Administrator determines are specially qualified in the particular part C program area covered by the announced program (peer review). Supplementary application review procedures, in addition to internal review and peer review, may be used for each competitive part C program announcement. The program announcement shall clearly state the application review procedures (peer review and other) to be used for each competitive part C program announcement.

(d) *Applicant's performance on prior award.* When the applicant has previously received an award from OJJDP or another Federal agency, the applicant's noncompliance with requirements applicable to such prior award as reflected in past written evaluation reports and memoranda on performance, and the completeness of required submissions, may be considered by the Administrator. In any case where the Administrator proposes to deny assistance based upon the applicant's noncompliance with requirements applicable to a prior award, the Administrator shall do so only after affording the applicant reasonable notice and an opportunity to rebut the proposed basis for denial of assistance.

(e) *Applicant's fiscal integrity.* Applicants must meet OJP standard of fiscal integrity (see OJP M 7100.1C, par. 24 and OJP HB 4500.2B, par. 48 a and b).

(f) *Disposition of applications.* On the basis of competition and applicable review procedures completed pursuant to this regulation, the Administrator will either:

(1) Approve the application for funding, in whole or in part, for such amount of funds, and subject to such conditions as the Administrator deems necessary or desirable for the completion of the approved project;

(2) Determine that the application is of acceptable quality for funding, in that it meets minimum criteria, but that the application must be disapproved for funding because it did not rank sufficiently high in relation to other applications approved for funding to qualify for an award based on the level of funding allocated to the program; or
